ROURKES OUTHIT, **BUT WIN, PLAYING** GOOD, FAST BALL

Locals Surprise Everyone by Developing Speedy and Snappy Throwing to Bases; Make Three Doubles.

Playing the snappiest game they have shown at home this season, the Rourkes walked off with the final City by a score of 4 to 1. Jap Barbeau was in the game and his appearance seemed to liven up the rest of the crowd and they played exceptionally good hall.

Third baseman Donica starred at the bat, gathering three bingles in his four trips to the plate. Kopp outpitched Stoner in every way but in allowing hits. Stoner only gave the Rourkes 5 clouts while the southerners gathered in 8. Kopp looked good in the box, except when he butted in on plays that probably spoiled them. He reached for a hit to the left of the mound and knocked it down, crediting the batter with a hit, when it probably would have resulted in a double play had he left it

Another instance of his "butting in" came on a play in which the Oklahomans secured their only run. He ran in to the plate and took the throw from Kirby in left field and then tossing the ball to Hale-for the put out, but the delay of the relay allowed Griffin to slide in safely Had Kopp remained in his box and let Hale have the throw, the runner would have been an easy out.

The purchased player from Mil-waukee, Jap Barbeau, played a stel-lar game. He approached the plate four times, walked twice, sacrificed once and popped out to first. He scored a run and helped demoralize the Cooties in the first frame. He is a fast man and a good batter.

Tomorrow, the tail enders of the seven safeties. Score: league, Wichita, will play here, with their manager, Frank Isbell, claiming they will do awful things to our boys in the three game series. Score: OMAHA.
