> Woman Fears Her Husband Has Met With Foul Play

Mrs. Viola Porter, 40 years old, Fremont, Neb., is in Omaha searching for her husband, Edward LeRoy Porter, 27 years old, who left Fremont two weeks ago. He hasn't been heard from since, the wife says. He came here in search of employment and is feared to have met with foul play.

Private George W. Langham, Company H, 128th Infantry, 32d Division. Private Langham received his Distinguished Service Cross for "ex-Alraordinary heroism in action" near Juvigny, north of Soissons. though severely gassed, Langham remained in the front line, dividing his service between actual fighting and carrying the wounded in his arms across an area covered by artillery and machine gun fire. This he con-tinued to do for 13 days, all the while suffering from being gassed, but refusing to leave his company while it was in the front line, to go to the hospital. (Copyright, 1919.) hospital.

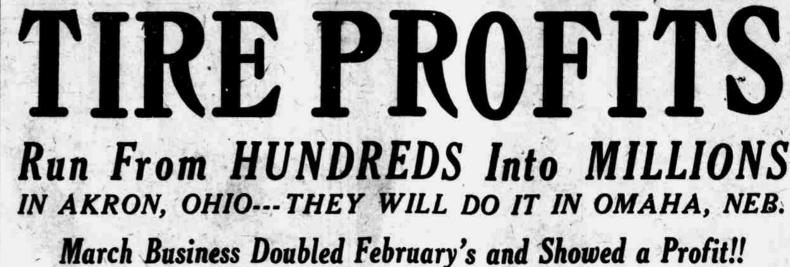

hand, so as to be ready any time to flee from the hordes of Huns. **Educational Problems** Discussed at Chicago Over 125 Rotarians Child Welfare Meet Attend Luncheon In

da conference on child welfare The regular Wednesday luncheon standards, under the auspices of the of the Omaha Rotary club was held children's bureau of the United yesterday at the Associated Charities' lunch room on the fifth floor of States Department of Labor. "Providing normal educational and the Orchard & Wilhelm store inrecreational opportunities to chil- stead of at the Hotel Fontenelle, as

dren was the keynote of the confer- is customary. ence," said Mr. Bradley.. He was impressed by Mile. L. E. The club voluntarily raised the usual price of the luncheon, 75 cents, Carter of Belgium, who related how to \$1.

the children of her country went to More than 125 Rotarians were sleep with little bundles close at present.

April Business Doubled March and Tripled the Profit!! Enough Orders Are on Hand Now to Assure Still More Profits in May!!!

Such is the Record of The Sprague Tire & Rubber Co. Sprague is Producing Profits --- Not Merely Promising Them

In five months this new Omaha industry, carefully pioneering its way, has established more than 250 dealers in Nebraska, Iowa, South Dakota, Kansas and in other states. The demand for Sprague Tires is growing steadily and we are busy filling orders already received.

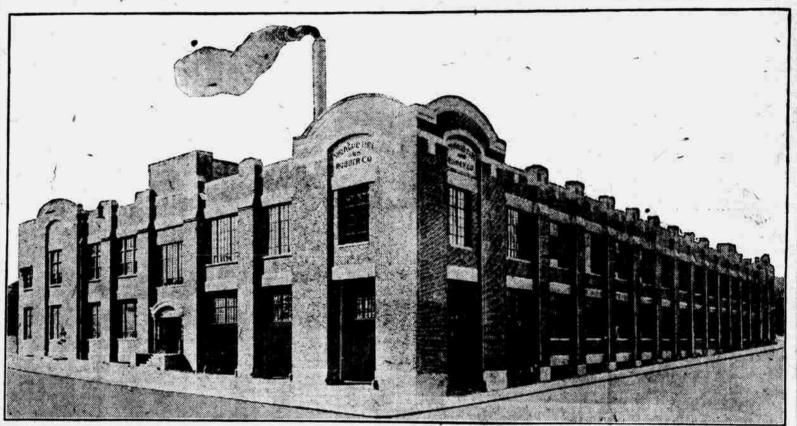

The first Sprague Tire was built in the new half million dollar factory at 18th and Cuming streets, November 17, 1918. Marketing of the tires began shortly after January 1, 1919.

Persons eager to invest in a sound, substantial institution with a future greater than any other single industry now being developed, will do well to consider purchasing Sprague stock.

For a safe, sound and highly profitable investment Sprague stock can not be beat.

When you sum up the total tire business of today with the ever growing demand for pleasure cars and trucks, the immensity of the tire in-dustry is almost beyond calculation. There Is Just a Limited Amount of This Stock for Sale

Our factory has a capac-ity of many hundreds of tires daily and our de-termination is to grow with the ever growing tire busi-ness in the territory tributary to Omaha.

OMAHA'S GREATEST Ladies' Shoe Sale

\$35,000 Stock of Ladies' High Grade Shoes, Pumps and Oxfords thrown to the public at extremely great reductions. Thursday morning at 9:00 this store will start one of the greatest shoe sales ever heard of in Omaha. We advise early attendance while the stocks are full and complete.

Partial view of factory of Sprague Tire & Rubber Co., Eighteenth and Izard Streets, Omaha, in operation.

The Facts

A great, fireproof, ideally constructed tire and rubben factory, now occupying 94,-000 square feet, employing 125 persons, making 200 tires and tubes a day, ship-ping to 250 dealers and jobbers. Employing active sales forces in thirteen

The price, \$75 a share–all stock now being sold is preferred. It is cumulative. It participates in the earnings of the company. It gives full voting powers. It is non-assessable and a stockholder may purchase his own tires at a discount.

The Future

A tire and rubber factory as great as any in Akron; nation-wide distribution and prestige; dominating in-dustry of Omaha and Nebraska; financial independence for its family of stock-holders; profits and power in the greatest money-making business today!

SHREWD INVESTORS See a good buy in Sprague Stock. Deal in the present as well as future

Nearly 3,000 persons bought the first \$100,000 Sprague stock issued in 95 days. They saw a good thing then-they see a still better chance now. Many of the stockholders are buying the second time from this limited stock offering before the value and price increases. The capitalization of the company is being increased to \$2,000,000 in order to furnish adequate capital for still greater development. The Sprague Tire and Rubber Co. is headed by E. H. Sprague, who for more than 30 years has been actively engaged in the rubber business in Omaha.

Sprague Tires Are Fast Growing in Popularity --- There is None Better on the Market

From the numerous applications for this issue of stock, indications are it will be oversubscribed as quickly as the original issue.
