Salesmen and Solicitors SALESMEN WANTED.

SALESMEN WANTED.

Opportunity knocks just once in a lifetime. This may be your call. We are an established industrial concern, whose name you will instantly recognize when you hear it. Our factory is built and already in production. We are neither a "has-been" nor a "going-to-be." We are one of the "right-now's" and even the competitors in our industry concede our success.

In order to increase our production as rapidly as possible, and key "pace with the demand for our goods, we are selling a limited amount of our investment securities in this state and need a few more of the right kind of salesmen.

We care very little whether or not you have had experience as a stock salesman. If you are strictly square and have plenty of pep, push and perseverance, with a moderate amount of ability, we will teach you the ropes.

Our proposition is exceptionally attractive to the conservative investor; our campaign is already launched and our boys in the field are making big money right now.

If you are making all the money you need don't waste our time. If you are not, or if you don't like your present line or if you think you ought to grow, write us a letter. Tell us all about yourself on the first page. Your correspondence will be treated as strictly confidential and if we can use you we will promptly arrange for an interview.
