Visitors Give Waldbauer Fine Support and He Allows But Seven Hits: Wiches Get Nine Off Merx.

The Wiches sprung a decided surprise on us yesterday, playing excellent base ball and lacing us nicely, 5 to 2. Pitcher Merz walked more batters than is his habit, and Philadelphia the visitors pounded out nine bingles, all of which helped us to the loser's portion. Four errors also contributed to the Wichita collection of runs.

For the first time since he has been with us, Jap Barbeau pulled a boot and made a hit. Shinkel batted for Merz in the last frame and made a nice single. Barbeau followed him with a long single, on which Shinkel scored from first. Jackson spilled the beans then with drive along the first-base line, which Mueller gobbled, stepping on the bag for Jackson's out and throwing to second, catching Jap by four

The Wiches made their first score in the second inning when Merz walked two and allowed Mueller a hit, Newasha scored on Carey's long sacrifice fifty. The Rourkes tried to even the count in their turn at bat in the second frame, Kirby singled, Gislason flied out to center and Hale and Donica each bingled for one base, filling the bags, when Kirby failed to make a run for the plate on Donica's hit. Townsend was on the catching line and he appeared to be watching the other runners and didn't send Kirby home.

Research and didn't send Kirby home. Bashang pooped to first and Merz drove the ball down to third, where Marr gathered it in and stepped on the bag for the force out of Hale.

After this effort, there was no chance to score until the final frame when they pushed one counter game. Poor base running pre-across, but could do no more. Wald-vented the Miners from scoring bauer, pitching for Wichita, had a more runs as the sacks were filled world of speed, good control and frequently. Score:
