Here's A Gentle Laxative For Elderly People

Advertisement for Dr. Caldwell's Syrup Pepsin. Text: 'A daily free movement of the bowels becomes a serious problem as you step from middle-life into old age, and such dependence on a no longer be placed on nature herself. The bowels find artificial aid necessary. The stronger the physic, as old people soon learn, the greater the contraction of the bowels thereafter, and so the wise purposely avoid salt waters, pills and other harsh purgatives. Many have learned to place absolute reliance on the gentle but positive action of a combination of simple laxative herb-with pepsin sold by druggists under the name of Dr. Caldwell's Syrup Pepsin. It produces an agreeable movement as nearly natural and free as high pharmaceutical skill can make it. Thousands use it regularly, in the small dose prescribed, and keep themselves in fine health and good cheer, and entirely free from constipation. The druggist will refund your money if it fails to do as promised. PRICE AS USUAL. In spite of greatly increased laboratory costs due to the war, by securing profits and absorbing war taxes we have maintained the price at which this family laxative has been sold by druggists for the past 25 years. Two sizes—50c and \$1.00. FREE SAMPLES—If you have never used Dr. Caldwell's Syrup Pepsin send for a free trial bottle to Dr. W. B. Caldwell, 468 Washington St., Monticello, Ill.
