

PLAN WELCOME OF 89TH DIVISION ON VISIT HERE

War Service Committee of the Chamber of Commerce Meets to Arrange for Celebration.

Omaha's welcome to returning Nebraska contingents of the 89th division, the 341st infantry regiment and the 341st machine gun battalion, when they parade here next week was planned yesterday noon at a meeting of the war service committee of the Chamber of Commerce.

Post Adjutant General C. J. Paul of Lincoln, a Nebraska soldier, was present with information concerning similar plans being made in Lincoln by the Commercial club of that city.

J. T. Wacov, vice chairman, presided. In the absence of Robert Manley, commissioner, and other officials of the Chamber of Commerce who are out of the city, final arrangements were not decided upon.

Will Greet Relatives. The soldier will be met at the railway station by the entire personnel of the war service committee of 15 members, of which Randall K. Brown is chairman.

Arrangements will be made to permit the large number of relatives and friends of the soldiers to be among the first to greet the heroes. The exact day the two units will arrive is not known. They are now in New York City. Governor McKelvie and a delegation of Nebraskans greeted them. They will be held in the New York district two or three more days to be "deloused."

Mayor Smith received a telegram this morning from Adjutant General Karr at Washington stating that as soon as the routing of the 89th on its way from New York to Camp Funston had been determined, he would wire the date on which Nebraska units would stop off in Omaha.

Governor McKelvie Invited. Governor McKelvie and his entire staff will be invited to attend the celebrations and review the parade in Omaha.

Stands will be erected along Farnam street, one of the streets through which the men will parade. Adjutant Paul, speaking for the governor and the city of Lincoln, stated that the Commercial club of his city was going "the limit" to entertain the boys during their short stay.

The time was so limited, he said, that many things planned would have to be eliminated from the program. Whether a special welcoming

committee to represent the entire city will be appointed is not known. The soldiers will be in Omaha about three hours.

Plan Big Dinner for Speakers at Peace Meet Here May 31

A dinner to the speakers at the state convention of the Nebraska branch, League to Enforce Peace, will be held at the Hotel Fontenelle Saturday evening, May 31. The convention will be held here that day.

Five hundred invitations will be issued from lists submitted by Omaha and Nebraska organizations interested in the league of nations. John Lee Webster will preside.

The dinner will be representative, and will not be considered a social affair. Short addresses on behalf of the league of nations will be made by the convention speakers.

June Victor Record List Contains Old Masterpieces

"The Little Old Log Cabin in the Vale," a new Victor record sung by Alma Gluck, is described as being "a song with a universal appeal." It tells of an old negro left alone in the little cabin awaiting the call which his "Massa and Miss" have already answered.

"Louise Homer sings the old hymn, 'I Love to Tell the Story,' anew on a Victrola record. Fritz Kreisler has just completed a Victrola record entitled, 'The Dream of Youth.'"

The ever popular Missouri waltz in a vocal arrangement is presented by Vivian Holt and Lillian Rosedale.

"Twilight," by Massenet, sung by Galli-Curci; Jascha Heifetz in old Spanish dance song, written by Sarate, and Sophie Breslau in "Baby Mine, He is Sailing Over the Sea, He is Coming Back to Me," are some of the best records ever produced.

The reason for women's tears are explained in the song, "Tears of Love," sung by Charles Hart.

The Victor Military band plays several pieces designed for the home as well as the school.

Ministers to Announce Peace League Meeting

Every Omaha minister is requested to announce from his pulpit Sunday morning that the state convention of the Nebraska branch, League to Enforce Peace, will be held in Omaha next Saturday afternoon and evening, May 31. Lysle I. Abbott, secretary of the convention, makes the request.

Booths for registration and badges will be located in every department store as well as at the University and Athletic clubs and at the Chamber of Commerce, according to Mr. Abbott.

180 Inches of Omaha Babies

Does One of These "Sunshiny" Babies Belong to You?

If so, bring this announcement and "the baby" to our "baby corner" and receive a \$1.00 coupon redeemable in seasonable merchandise in the baby corner

THIS week has been set aside as "Baby Week" at this, the original children's store of Omaha. There is a freshness of Springtime about the displays and the many new and interesting articles featured.

We want the mothers and expectant mothers to know that we have a progressive Individual "Tots' Shop" that gives many kinds of assistance. We believe the time has gone by when anything so vitally important as a tiny baby's first clothing can be treated in a purely commercial way. We specialize in such an intensi-

fied manner that your "little Jane" or "Johnny" may have clothes that look like "Jane" herself or "Johnny," and be suitable for them and for what they are doing.

As a climax of "Baby Week," we have reproduced nineteen photographs of babies, taken recently by the "Lumiere Studio," and will give a \$1.00 coupon to the mother who picks out her baby and brings baby and this announcement to the Baby Corner.
