Milwaukee Until the eighth inning, only eight hits came forth, but in that frame six more put in an appearance and the boys made them count for sev-

The Miners were blanked in the first inning, and Jackson's boys went off in front with two counters on three hits. The Joplin crew tied it up in the second, and the locals were unable to forge ahead until Chicago the sixth when two more pearlies resulted from two hits and a sacrifice fly.

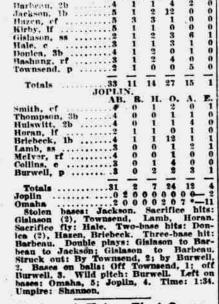

Not content with doubling the score of the visitors, the Omaha elan called up their belated hitting ability and whanged out six bingles, which, with the aid of two passes, counted for seven more runs. Barbeau covered himself with flory by slamming a three-bagger with the bases full and then scoring on Jackson's bingle.

Our former amateur player Eddie Hazen started the fireworks in the eighth with a two-base wallop. Kirby popped a foul into Catcher Collins' mitt and then Gislason tapped out a single on which Hazen scored from second. Hale advanced Gis with another single and Donica scored them both with the second two-bagger he had made in the game. Bashang and Townsend filled the bags with passes and then Barbeau's hero stunt took the boards.
