Heart Beats

By A. K. Today is bright And full of light Along the line to Greater things. Today is but a Period in Evolution But it is an important Click of the clock of time. Today offers some Opportunity For improving the mind For helping a child For feeling deeply Or shedding a few tears To mellow the ice-bound Heart within. Today is the day For sending good cheer For telegraphing smiles For reflecting gladness Like the rays of A hot June sun. Today holds undreamed of Possibilities for Dropping pebbles of joy Into the waters of life. Each one ripples And rolls on In every direction and Brings back to us More joy than we Sent out. O, powers that be! How do thy children Dare To trifle with thy gift— TODAY— That fades so soon to Yesterday! Life is a clock Ticking off debits And credits Between dawns and sunsets. It never rests. It ticks away While we idle our Todays Into the discards Of yesterdays. And our lost opportunities Multiply according to Our indolence. —SELAH!

The Whisper That Comes in the Night

The Glorious Knowledge Women Gain When a Wonderful Thought Steals Over Them.

Happiness in its most thrilling degree comes to woman with the thought of possessing a baby. Every woman in the joy of coming motherhood should prepare her system for the unusual strain. Three generations have found the tried and reliable preparation, Mother's Friend, of the greatest help at such a time. By its daily use throughout the period, the skin of the abdomen is made soft and elastic, expanding muscles relax easily when baby arrives, and pain at the crisis is in this way avoided. The inflammation of breast glands is soothed. Obtain from your druggist, by all means, this great preparation which science has offered for so many years to expectant mothers. Write the Bradford Regulator Company, Dept. D, Lamar Building, Atlanta, Georgia, for their helpful and interesting Motherhood Book, and begin the use of Mother's Friend. It is for external use, is absolutely safe and wonderfully effective. And remember, there is nothing to take the place of MOTHER'S FRIEND.—Adv.

What a pity she doesn't know Resinol would clear her skin

"She would be a pretty girl, if it wasn't for that pimply, blotchy complexion!" But the regular use of Resinol Soap, aided at first by a little Resinol Ointment, would probably make it clear, fresh and charming. If a poor skin is your handicap, begin using the Resinol treatment and see how quickly it improves.

Resinol Soap and Resinol Ointment are excellent, too, for the cure of the itching, dandruff and keeping the hair lustrous. All druggists sell Resinol Soap and Resinol Ointment. The Resinol Treatment does nothing that could injure the delicate skin.
