

BARROWS STILL FIGHTING FOR STATE FISH CAR

Assistant Director Fort Holds That Railway Administration Is Justified in Refusal to Haul Car.

Lincoln, June 2.—Gerret Fort, assistant director of the United States railroad administration is of the opinion that the department is handling the transportation "correct in principle" and that the refusal of the department to allow any reduction for transportation of the Nebraska fish car is right and proper, according to a letter sent by him to Cong. M. P. Kinkaid, which the latter has sent to Lieutenant Governor Barrows, who as acting governor the past two weeks has attempted to get the fish car transported by the roads at a reasonable rate.

Mr. Fort says: "Ten cents a mile for fish distributing cars means a similar basis for mine rescue, Red Cross, public health, exhibition, demonstration and various other kinds of special cars operated by the federal government and the states engaged in public welfare activities and this case is clearly not warranted taking into consideration high operating costs. In view of these various considerations it is hoped that you will coincide that the railroad administration's treatment of the problem is correct in principle and is deserving of the support of those who receive the benefit of the reduction afforded by the present basis."

Lieutenant Governor Replies. In reply to the letter, Lieutenant Governor Barrows makes it clear that he is not in favor of the stand taken. He points out that Nebraska has spent thousands of dollars in an effort to have her lakes and streams stocked with fish, and that it is not merely a case of conservation of food. He also points out that the fish of the state were a great help in the conservation of food, and that the problem is still an important one.

He says he fails to understand why the railroad administration refuses to haul the car at these rates, when the railroads, under private ownership, did not refuse, and points to the fact that the administration recently sent three troop trains from Omaha to Lincoln over a road where the distance is 92 miles and a four-hour run, when there are two direct lines between the two cities of 55 miles each, with but a two-hour run.

He closes his letter as follows: "When the fish in the lakes of Nebraska shall have died for want of water, and have been buried in some convenient 'blow-out,' I will go there, and standing over a grave, tell the fish spirits that may hover near, that they have not died in vain, but in the cause of 'economy and genius.'"

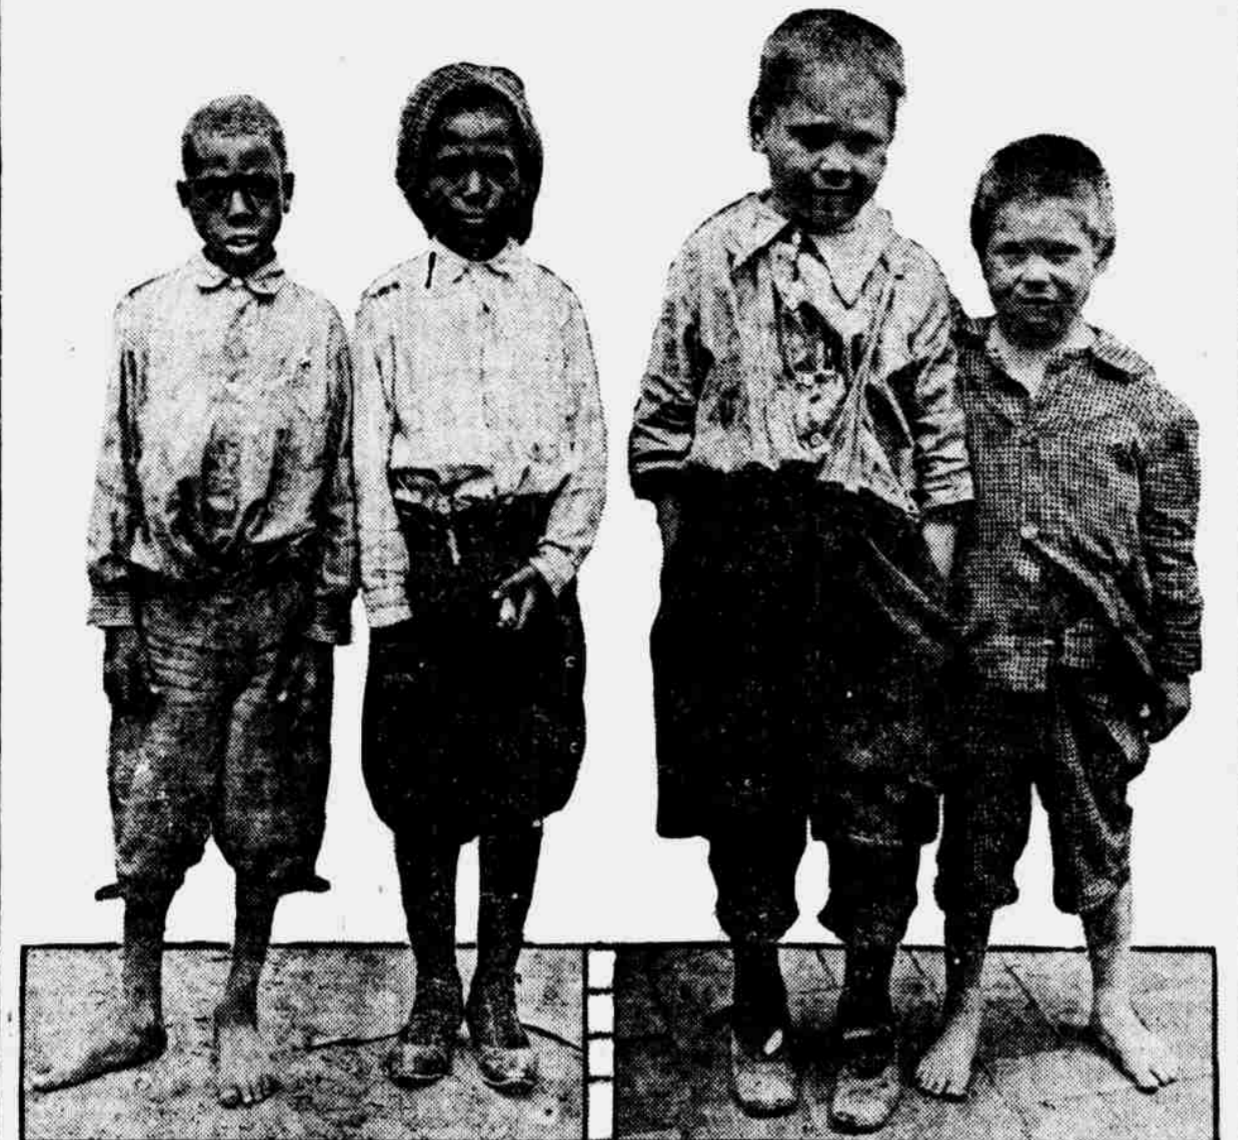

Table Rock Minister to Take Position in Tekoa

Table Rock, Neb., June 2.—(Special.)—Rev. Samuel E. Taft of Table Rock, who has filled the pulpit of the Methodist Episcopal church here nearly three years, recently received a call from the Methodist society at Tekoa, Wash., in the vicinity of Spokane, and will preach his final sermon in Table Rock June 15. The change was made largely in the hope of improving the health of Mrs. Taft.

Here's Four More Children Who'll Tell Mayor Smith About Protected Gambling

Clarence Paris, 11 years old, 1631 North Twenty-first street; John Wright, 12 years old, 1628 North Twenty-fourth street; George Forst, 8 years old, 1150 North Twenty-fourth street, and Richard Goodman, 6 years old, 1124 North Twenty-third street, all school children victimized by the gambling devices maintained at the Patterson shows during the week of May 12 at Twenty-first and Paul streets.

Mayor Smith has announced he would not make an investigation until absolute proof of gambling changes had been placed before him. These boys are willing to tell the mayor of their experience with the crooked games, which for three days were operated under police protection and finally closed on the order of Chief Eberstein, after he was told The Bee photographer was taking pictures of the illegal practice.

These are four among 50 other children who were swindled by the professional gamblers while policemen stood idly by and witnessed the performance.

HASTINGS WOMAN KILLS BABY WITH BUTCHER KNIFE

Mrs. Minnie Owens Slashes Throat of Two-Month-Old Child; Had Only 45 Cents.

Hastings, Neb., June 2.—(Special Telegram.)—Mrs. Minnie Owens Monday morning killed her 2-month-old baby with a butcher knife, cutting its wrist and throat. She told Chief of Police St. John she tried to drown the child Sunday, but gave up the attempt. She said her husband was dead, but did not explain why she wished to kill the child. She had only 45 cents when arrested.

Mrs. Owens came here from Denver and is understood to have a daughter living in the Home of the Good Shepherd in that city, besides a son in Douglas, Wyo. A man who said he had heard Mrs. Owens say she was going to kill the child called the police to the home. The child was dead when they arrived. Mrs. Owens made no attempt to escape.

Obligations of the bureau of aircraft production were reduced more than \$4,000,000 during the week ended April 5, bringing the total of canceled and suspended contracts of the bureau since the signing of the armistice to \$500,679,617.

REFUSE TO PAY CITY FEES FOR HEALTH REPORT

County Board Holds Claim Until Money Due for Feeding Prisoners Is Paid by the City.

The county board refuses to approve claims rendered by Health Commissioner Manning for similar services for which Dr. R. W. Connell was paid while he was health commissioner and after he brought a court action for payment of this money to himself.

When Dr. Manning was appointed health commissioner a year ago it was understood that these fees would be credited to the city's account, instead of to the personal account of the health commissioner, as had been done.

Pay for Reports.

Under the court ruling which was given in favor of the former health commissioner, the county was required to pay 25 cents for each birth and death report sent by the health commissioner to the State Board of Health. The records show that Health Commissioner Manning sent these bills to the county board:

November, 1918, \$460.75; January, 1919, \$632.75; April 24, 1919, \$430.25; total, \$1,523.75. On July 25 of last year the county board allowed a quarterly bill, part of which went to Dr. Connell and \$194.25 to the health department fund, but that was the last allowance the county made.

The formality of filing these bills was all that the health department has done, until a few days ago when the matter was called to their attention the city legal department was asked to look into the situation and advise whether the city has any recourse.

County Wastes Money.

When these fees were a matter of personal remuneration to the former health commissioner, the county board paid the bills because the health commissioner took the case to court; now that it is a matter of the city getting the money, it seems to be a case of everybody's business and nobody's business insofar as the health department is concerned.

Manley Main Speaker at State Convention of Commercial Club Bodies

How to develop commercial club organizations of the cities and towns of Nebraska into real community builders will be the subject of the main discussion of the Nebraska state association of commercial clubs in an annual session at Broken Bow tomorrow, and will be led by Robert H. Manley, commissioner of the Omaha Chamber of Commerce.

More than 100 local organizations belong to the state federation of commercial clubs and the Omaha Chamber of Commerce will be represented at the convention by Mr. Manley and Lloyd Mattson. The latter will discuss the campaign for war savings in Nebraska for 1919. The convention will close Wednesday of this week.

WOMEN WHO WISH TO VOTE MUST REGISTER TODAY

Will Be Required to Give Correct Ages to Participate in \$3,000,000 Road Bond Election.

This is registration day for the women of Douglas county who want to vote on the \$3,000,000 bond proposition June 24. The bonds will be issued to get money to pave 115 miles of Douglas county roads.

This will be the first time in the history of Douglas county that women have registered as voters. They have had the privilege of voting for school board members, for which no registration was required. Fifty-five school houses have been provided for registration of the women voters today. The Dundee fire house and Election Commissioner Moorhead's office in the court house are also registration places. Inspectors in Charge. An election inspector will be in charge at each registering place, assisted by two women.

Mr. Moorhead has given instructions to inspectors that women who want to register must give their correct ages. "Over 21" will not be taken as an answer.

"We cannot cross-examine them on the question of age, however, he said. 'Whatever they tell us will be accepted as the truth.'"

Among the women who will serve on registration boards are: Mrs. Philip Potter, Dundee school; Mrs. J. H. Conrad and Mrs. Royal D. Miller, Dundee fire house; Mrs. J. R. Ringwald, Saunders school; Mrs. F. H. Cole, Cass school; Mrs. W. H. Hatteroth, Park school; Mrs. Victor Reynolds and Mrs. Charles Marley, Field school; Mrs. C. C. Rosewater, Farnam school; Mrs. Z. T. Lindsey and Mrs. Jennie Callias, Columbian school.

DULL AND SHARP SHOOTING PAINS

Michigan Lady Suffered Such Pains in Back and Head, But Says Cardui Stopped These Bad Spells.

Palmyra, Mich.—Mrs. Chas. T. Fuller, of this place, writes: "In 1911 I got run-down, and I suffered great pain...with both dull and sharp shooting pains...also back and head. I was weak and could only drag around, and should have been in bed, for I really wasn't able to be up. At times I would have spells that would be so bad I'd have to go to bed, and suffer intensely. I decided to try Cardui, and saw a great improvement in less than a month's time. I used 7 or 8 bottles and was stronger...I got so much better that my strength returned and my work was easy for me. Cardui did me a world of good. It built me up in health and strength. I haven't had one of those bad spells since. I haven't had to take any more medicine since or have any doctors either and have been able to do my work right along. I recommend it to other women highly as the best medicine I know of for women who suffer from female troubles." If you suffer from female troubles, follow this advice. Get a bottle of Cardui today and give it a thorough trial. It should help you, as it has helped thousands of other women in the past 40 years. At all druggists. EB-14

Your National Parks

With All Their Wonders

MAKE this a summer of vacation travel. Glorious out-of-door playgrounds beckon you. Heed the call. Get away and know the scenic beauties of your own land. Summer excursion fares.

Every American should visit the National Parks. They are the nation's playgrounds. Not only do you see peaks and canyons, glaciers and geysers, big trees and volcanoes, prehistoric ruins and Indians—you here see the old wilderness places of this country—the Far West and the Old West—practically unchanged.

In this vast region you can "rough it"—can camp out, climb high peaks, go fishing and ride horseback. Around the corner, so to speak, are miles of auto boulevards, modern resort hotels, and comfortable camps.
