# Nebraska's Greatest Farm to Be Sold

35 Miles From Omaha—20 Miles From Lincoln

4320 ACRES HIGHLY CULTIVATED 19 SETS OF IMPROVEMENTS

What is known as the Fitzgerald farms at Greenwood, Nehr., for many years owned by the Boston Investment Co., of which Charles E. Perkins, president of the Burlington Railroad, is president, will be closed out. THIS WONDERFUL TRACT is rated THE BEST LARGE TRACT OF FARM LAND UNDER ONE OWNERSHIP IN NEBRASKA.

There are 27 quarter-sections of fertile land under a high state of cultivation, with 19 sets of improvements distributed with special reference to the best division of the property. These farms, all in one body, are located in the northeast corner of Lancaster County, extending over the line into Cass County. Its southeastern corner is within ONE MILE OF GREEN-WOOD BETWEEN OMAHA AND LINCOLN, ON THE MAIN LINE OF THE BURLING-TON, AND THE O. L. D. TRANSCONTINENTAL HIGHWAY.

Many years ago John Fitzgerald, who built most of the Burlington from Omaha to Lincoln, picked this land as the choicest selection along the Burlington road. He operated it as a stock farm, feeding and growing large numbers of cattle and horses. At his death some years ago the property was purchased by the Boston Investment Co.

We have gone over the entire property very carefully, have consulted many of the residents in the community, and have had land examiners outside of our company go ever it in order to arrive at the proper value. In every instance OUR PRICES ARE BELOW the estimates of our advisors. We did this in order to effect a quick sale. These prices range from a minimum of \$200 to a maximum of \$275 per acre, the latter on a limited acreage. The property is offered in tracts ranging from 80 to 640 acres.

This is a wonderful property, gently rolling, with fertile, black, loamy soil, ideally located with reference to transportation and market. Roads run on the section lines, all graded and dragged.

Parties will be met by appointment, if desired, at the First National Bank at Greenwood or will be taken by auto from Lincoln.
