This picnic has become an annual affair and it is estimated that 25 couples will make the trip.

## "The Rose Fairy"

Pleasant Holyoke  
RINEHART-MARSDEN PHOTO

Little wonder that Miss Pleasant Holyoke seems to live the part of the "Rose Fairy" in Mrs. Myron Learned's masque, "Pan and the Rose Fairy," given in Omaha on June 14. For the dainty "Rose Fairy" is Miss Holyoke and was written for her.

Mrs. Learned knew her as a little girl and all the time that she created the beautiful character of the fairy, she had in mind the girl who should portray it.

Mrs. Karl Linniger, chairman of the ticket committee for the masque, "Pan and the Rose Fairy," to be given on June 14, will visit all the clubs on Saturday night.

This "drive" for tickets will include Happy Hollow, Country, Trestle Mile, Carter and Seymour lake clubs.

## Heart Beats

By A. K.

She has come!  
During the long  
Cold winter  
Never once did she  
Appear in public  
Or even at private  
Social functions.  
We had forgotten  
That she played  
Such a strong part  
In the lives of many.  
But the springtime  
Is playtime  
And the wide world  
Grows reckless  
And thoughtless  
And bold.  
First we met her  
In a trolley  
Her slender form  
Was tightly clad  
In bright green  
And shining white.  
Her breath was more  
Far reaching than the  
Scent of a violet.  
In the theatre  
We met her next—  
And we wondered  
If she had come  
Into our midst  
For the season.  
We felt more certain  
Of her intention  
To abide with us  
When we discovered  
Her in every movie  
But when we faced her  
Across the little desk  
In a bank  
Where women make  
Their deposit slips  
And fill in  
Blank checks  
We smiled  
And bowed  
And acknowledged  
That she was a permanent  
Spring visitor—  
She is the  
Spring Onion.

### Desserts

Not long since, there was an idea discussed in this column about keeping a classified list of all the dishes that one can prepare. Such a list should be an aid in menu planning. The part of the meal that gives the most trouble in some families is the dessert. What can I have for dessert is heard from more than one woman. To help solve the problem, here is a list of all the desserts there are. Sounds like a big order, doesn't it? but there are really just a few main kinds of feed with variations galore. I have not attempted to list any of the variations, these you may fill in for yourself.

#### Question Box.

How much milk should a child take every day? I do not mean an infant, but a little girl six years old? Mrs. A. M. B.

There is a slogan going around the country, A quart of milk for every child every day. Milk is the foundation of health for a child. If your little girl will not drink much milk, it may be given to her in the form of puddings, cream soups, etc. It is also urged that every adult use a pint of milk a day in his diet.
