First Mortgages Divided **Into Convenient Parts**

Farm mortgages and mortgages on first-class city real estate are rightly highly favored investments. While we still have first-class farm mortgages to offer, owing to the prosperity of farm ers these are no longer being renewed in sufficient quantities.

The problem presented by this situation is solved by the bonds of our offering-FIRST MORT-GAGE 6% BONDS SAFEGUARDED UNDER THE STRAUS PLAN. These bonds are the underwritings of S. W. Straus & Co. of Chicago and New York and are backed by a record of THIRTY-SEVEN YEARS WITHOUT LOSS TO ANY INVESTOR.

Straus Plan bonds have the fundamental safety of the best mortgages, being secured by FIRST MORTGAGES on income-earning land and buildings in the great American cities or by first mortgages on profitable, thoroughly established industrial properties. These bonds, which we offer to conservative investors, have first been purchased by us with our own funds.

The safeguards of the STRAUS PLAN, to which are due the time-proven safety of these bonds, are explained in our booklet, "Safety & 6%."
