GOVERNOR ASKS REPORT OF ALL BOOZE CARS HELD

Assures County Attorney That Cases Will Be Vigorously Prosecuted Under New Law.

Lincoln, June 12.—All county attorneys of the state have been notified by Governor McKelvie that they must make report of the number of cars held by their county taken in booze arrests, number sold, number that are still in their possession and the number that have been returned to their owners or released for other causes.

"It is our desire that these cases shall be prosecuted quite vigorously, and we earnestly request that no cars be released without orders from the courts."

"You are, of course, aware of the new law which was enacted at the last session of the legislature bearing upon this subject, and we believe that this law is complete enough to enable the confiscation of all cars that are used in the illegal transportation of booze."

"We hold ourselves in readiness to advise and co-operate with you in these cases when called upon to do so. Of course, we do not desire to put the state to unnecessary expense, but we are very anxious that offenders shall suffer the punishment that the statute provides."

Rep. Briggs Gets Lease on Valuable Potash Lake for \$1

Lincoln, June 12.—After a long siege of grief and trouble, T. L. Briggs, representative from Sheridan county, has at last secured a mineral lease on the potash lake which lies upon school land on which he has had an agricultural lease for many years.

This is the celebrated potash lake which has been the cause of much litigation and trouble on the former democratic state board of public lands. Former Fire Commissioner W. S. Ridgell, J. J. Harrington and O'Neill and other obtained a mineral lease on the land on which the lake is situated from the state board which had declared the agricultural lease void.

Briggs at one time made the board an offer of \$10,000 for a lease on the land. Now Mr. Briggs gets the lease on a bid of \$1 bonus and a royalty of 5 per cent on all potash taken out.

This lake was said to be one of the most valuable in potash in that section of the country and several big potash companies attempted to gain control of the lake.

As a result of reappraisal by county boards state lands for lease in Otoe county formerly valued at \$15 to \$30 an acre, was increased to \$35 and 75 an acre.

Platte county lands, formerly valued at 6 to \$20, is now valued at \$25 to \$75. Scottsbluff land, formerly valued at 50 cents to \$4 an acre, was increased to \$1.50 to \$10 an acre.

State lands for sale purposes, reviewed by Land Commissioner Swanson, in Banner, Boyd, Cherry, Holt, Keya Paha, Lincoln, Sheridan and Sioux counties, were increased \$7,140.

One tract of 160 acres in Boyd county has increased from \$35 an acre to \$50 an acre, and another 80 acre tract from \$30 to \$45.

A 25-cent increase on resident telephone at Chadron, Valentine and Crawford and a general charge for desk telephones of 25 cents is asked.

BANKERS CLOSE MEETING WITH ENTERTAINMENT

Smoker at Hotel Fontenelle Has Nothing to Do With Sight Drafts and Overdrawn Accounts.

Nebraska bankers who attended the 22d annual convention that adjourned last night after a two days session, and there were 994 of registered, assert that the meeting was the most successful and beneficial of any that has been held within the history of the organization.

The bankers had a full card from the feature events of the program. The entertainment and smoker in the ballroom of the Hotel Fontenelle, where the balcony was reserved for the women, did not deal with interest rates, discounts and bank reserves, or deposits, it was unanimously pronounced one of the feature events of the program.

There was a battle royal in which an even dozen gentlemen of color participated. They went into the mill with regulation gloves and on an elevated stage. It was slap, bang, pull and haul until the last man was left standing.

Reception at O. A. C. The business end of the program was finished during the afternoon and the following that there was the public reception at the Athletic club, where the entire building was turned over to the visiting bankers, their wives and their daughters.

At 4 o'clock the women were shut out of the bathing section of the program by an informal dancing party at the Logan inn, most of the out-of-town bankers remaining over for the event.

This was attended by more than 100 couples, who participated in the dance, with hundreds of the stand and substantial custodians of funds standing along the side lines and wishing that they were young again.

At the afternoon business session, H. K. Frantz of Eagle was elected president, succeeding W. S. Weston, whose term had expired. Mr. Weston, however, was honored, for upon his breast was pinned by W. S. Hughes, the secretary, the gold badge of the Order of Hasbeens.

This is a distinctive honor bestowed only upon retiring presidents who have "given a good account of themselves."

Elect Executive Members. On the executive committee, E. H. Mullooney was elected to represent the Lincoln section of the association; W. Thomas, Omaha; and George C. Gage, Group 6.

H. H. Osterberg, Scottsbluff, and Elmer Williams, Grand Island, were elected delegates at large to the convention of the American Bankers' association.

Resolutions were adopted denouncing the I. W. W. and all other organizations that seek to stir discord, or foment trouble and dissension at any point in the United States.

High tribute was paid the Nebraska boys "who carried the Stars and Stripes through France and who fought with the allies."

The blue-sky law was denounced and support was pledged to the up-building of Nebraska and all its institutions during the readjustment period and thereafter.

Address by Rev. Mr. Smith. The address of the afternoon was by Rev. Frank G. Smith, pastor of the First Congregational church, Omaha, who talked on the "Business World and the New Day."

Rev. Mr. Smith, following an introduction by President Weston, asserted that "the average minister stands in awe of the banker," and that he was overawed, standing in the presence of nearly 1,000 members of the profession.

He delivered an address that was frequently punctuated with hearty applause.

Rev. Mr. Smith closed his address by asserting that in working out the problems of the new day there must be a civic system that will be based upon honesty, fairness and justice and an industrial system with universal brotherhood as its foundation.

The morning meeting was in charge of the American Bankers' association, H. H. Osterberg of Scottsbluff, presiding. The following officers were elected:

Nebraska vice president for one year, John M. Flannigan, Stuart; member executive council to fill vacancy, E. F. Gallagher, O'Neill; for two year term, Harry Sidells, Lincoln; three years, J. Frank Coad, Omaha; vice president, national bank section, W. H. McDonald; savings bank section, Fred Getty, South Omaha; trust company section, George H. Thummell, Omaha.

Committees are Announced. The Nebraska association, taking charge of the convention, President Weston announced committees as follows:

Resolutions—T. L. Mathews, Fremont; S. J. Weckes, O'Neill; W. A. Taylor, Hastings; J. F. Trenery, Pawnee City; Dan Morris, Kearney; R. A. Gaines, Brunswick.

Nominations—D. W. Keller, Schuyler; C. P. Nelson, Long Pine; A. M. Keyes, Holbrook; Fred Draper, Adams; Roy Langford, North Platte; Charles A. Smith, Tilden.

Reports of the secretary-treasurer and executive committee were presented and referred.

Condition of Banks. In his annual address President Weston referred to the splendid financial condition of the banks of Nebraska at the present time and the bright prospects for the future.

He referred to the manner in which Nebraska took hold of war activities, asserting that not only did the state send 50,000 of its young men to the trenches and the camps, but of its liberty it invested \$250,000,000 in Liberty bonds and war savings stamps.

Prior to the beginning of the war President Weston asserted that the bank deposits of the banks of Nebraska aggregated \$203,000,000 and that they have increased to \$509,000,000, as shown by the latest figures.

Watch Sunday papers for details of Brandeis Stores famous June Sale of Midsummer Blouses—an extraordinary event begins Monday.—Adv.

Nebraska's Part in War. Nebraska, said President Weston, when the United States entered the war came to the front in a manner that was incredible to the Germans of the fatherland, as well as a surprise to the hyperstated residents of the state. It went over the top every time that it was called upon, and did so without an effort.

Efforts to Discredit Survey Committee Cause of Amusement

Lincoln, June 12.—Efforts of certain papers to discredit the work of the constitutional convention survey committee appointed under direction of the last legislature to gather information which will be ready for the use of the convention, by publishing that members of the committee are using the funds for junketing trips, looked upon here with much amusement.

The committee has at no time favored a trip to New Zealand for the purpose of looking up the constitution of that country. The trip was simply a "pipe dream" upon the part of somebody who apparently wanted to throw suspicion upon the committee.

Mystery Surrounds Kearney Man's Death; Coroner's Jury Baffled

Kearney, Neb., June 12. (Special Telegram.)—Mystery still surrounds the murder of Frank S. Lovitt, who was killed on the streets of this city during a storm Sunday night. The coroner's jury failed to bring out any new facts concerning the murder and brought in a verdict that he came to his death at the hands of persons unknown to them.

The inquest was rather perfunctory and routine. No relatives of the dead man were examined. Police say they have been unable to find any clues to the dead man's assailant.

Lovitt was found lying on the street with a revolver bullet in the brain. The revolver was found lying near the scene. The fact that he had another revolver in his pocket police say gives positive evidence that he did not take his own life but had feared an attack and armed himself for defense.

Gothenburg, Neb., June 12.—(Special Telegram.)—Governor McKelvie delivered the commencement day address here Thursday to the class of 1913. One of the largest crowds that ever taxed the capacity of the local opera house heard the chief executive's masterful talk.

Gothenburg accorded the governor a rousing reception during his stay in this city. A committee met the train and escorted him to the Houston hotel, where a banquet was given by the chamber of commerce. Over 100 plates were laid. The governor spoke briefly upon the new code bill and several other topics of current interest.

Evils of Sedentary Habits

Your occupation may keep you indoors a good share of the time and deprive you of outdoor exercise. If that is the case you are likely to be troubled more or less with constipation, and will appreciate the good qualities of Chamberlain's Tablets. These Tablets are easy to take and most agreeable in effect. Give them a trial.

The erection of the new plant was made necessary by the rapid growth of the business, as the older plant was found to be inadequate to supply the ever increasing demand which at the present rate of sale will amount to more than five million bottles for the present year alone.

By the erection of this plant the manufacturers of Tanlac are
