CHAMPIONSHIP FIGHT TO BE IN 20-FOOT RING

"Smaller It Is the Harder It Will Be for Dempsey to Get Away," Says Willard.

Toledo, June 13.—Jesse Willard and Jack Dempsey will meet in their world's heavyweight championship contest here today, in a 20-foot ring, instead of the regulation 24-foot enclosure.

PETERS TO MEET GANA IN FINISH BOUT AT BLUFFS

Victor to Be Matched With Pesek, or Some Other Prominent Heavy, Later.

Though Omaha will have probably one of the greatest athletic events in the history of the state on July 4, Council Bluffs will have one of the best on June 19, ever staged on that side of the river.

Each of the contestants are anxious to make this match particularly, for the winner will be booked to meet John Pesek or some other leading heavyweight in the near future.

In the semi-wind, Jack Solomon will meet Everett Miller of Tabor, Ia., in a one-fall finish match.

Two Council Bluffs amateur lightweights will wrestle a one-fall match in the open.

Promoter Fiori is making arrangements to handle a record at this match and it is likely that his expectation will be realized, for the show is attracting considerable attention in and around Omaha.

The sporting editor received the following letter last night. The letter is self-explanatory and needs no further introduction.

It calls attention to the error in dictation in the eighth paragraph, where the party of the first part should be empowered to name the referee in the event the parties of the first part could not agree.

Omaha, Neb., June 13.—Sporting editor, Omaha Bee: Dear sir, in this morning's paper you show a copy of the articles of agreement between Gene Melady and Stecher and Lewis.

It appears to me that in case either of the wrestlers wanted to withdraw from the agreement at any time previous to the match, it could easily do so by claiming the right to name the referee.

Don't you think it would be a good idea to correct the second sentence of this paragraph, changing the word "second" to "first."
