**Hairs Will Vanish
After This Treatment**

(Toilet Helps)
You can keep your skin free from
hair or fuzz by the occasional use of
plain delatone and in using it you
need have no fear of marring or
injuring the skin. A thick paste is
made by mixing some of this pow-
dered delatone with water. Then
spread on the hairs and after 2 or 3
minutes rub off, wash the skin and
all traces of hair have vanished. Be
careful, however, to get real delatone.—Adv.

**Why Actresses
Never Grow Old**

Nothing concerning the profession seems
more puzzling to the dear old public than
the perpetual youth of our feminine mem-
bers. How often we hear remarks like
"Why, I saw her as Juliet forty years ago
and she doesn't look a year older now!"
Of course allowance is made for make-up,
but when they see us off the stage at close
range, they need another explanation.
How strange women generally haven't
learned the secret of keeping the face
young! How simple a matter to get an
ounce of mercolized wax at the drug store,
apply it like cold cream, and in the morn-
ing wash it off. We know how this gradu-
ally, imperceptibly, absorbs the old cuticle,
keeping the complexion new and fresh,
free from fine lines, sallowness or over-
redness. We know, too, that this mercol-
ized wax is the reason actresses don't
wear freckles, moth patches, liver spots,
pimples and the like. Why don't our sis-
ters on the other side of the footlights
learn the reason, and profit by it?—The
atrical World.—Adv.

REPEAL OF WAR PROHIBITION FAILS TO PASS

House Judiciary Committee
Rejects Motion Providing
for Beer and Light Wines
After July 1.

Washington, June 17.—By a vote
of 10 to 3 the house judiciary com-
mittee refused today to adopt a mo-
tion of Representative Igoe, democrat,
Missouri, repealing war-time prohibi-
tion insofar as it affects light
wines and beer. Joining Mr. Igoe
in supporting the motion were Rep-
resentative Gard, democrat, Ohio,
and Closson, republican, Wisconsin.
The committee, which is consid-
ering a bill by Chairman Volstead
for enforcement of national prohibi-
tion, approved the section defining
intoxicating liquors as that contain-
ing one half of one per cent of alco-
hol after amending it so as to name
specifically as intoxicants alcohol,
brandy, whisky, rum, gin, beer, ale,
porter and wine.

Bond Issue to Be Discussed.

Discussion of the bond issue pend-
ing at general election in Douglas
county, June 25, will take place at a
special meeting of residents of the
west side at the social settlement
hall, Twenty-ninth and Q streets,
Thursday evening at 8:30 o'clock.

Two Fleets of Airplanes Will Carry Mail to Omaha

Chamber of Commerce Commissioner Just Returned
From Conference, Tells of Plans for Postal Flights
From Cleveland to This City Soon.

Omaha is to be on the next leg
of the coast to coast air mail ser-
vice. The foregoing is the infor-
mation given out by Commissioner
Manley of the Omaha Chamber of
Commerce.

Commissioner Manley is back
from Chicago, where he went for a
conference with Superintendent
Sproule of the air mail service.
There he was advising that plans for
extending the coast to coast route
are progressing rapidly and every-
thing points to the coming of the
mail air ships inside of a couple of
months.

The Omaha landing field and the
hangars for the mail ships were dis-
cussed. As a result, it is expected
that within a short time work will
be started on the Omaha landing
field so everything may be in readi-
ness as soon as official orders for
the extension of the service are re-
ceived.

In Chicago Commissioner Manley
gathered the information that two
fleets of mail airplanes will be em-
ployed in the Omaha service. One
will operate between Omaha and
Chicago and the other between
Cleveland, O., and Omaha.

The Cleveland-Omaha service

will be without stop, and will bring
eastern mail handled by train into
Cleveland. Eastbound the airplanes
will carry mail for Cleveland and be-
yond. To Cleveland this mail will go
by airship, where it will be deliv-
ered to the Twentieth Century Lim-
ited train on the New York Central.
It is planned by this service to save
24 hours on Omaha-New York mail.
The Omaha-Chicago air mail ser-
vice is expected to be on a six-hour
schedule. The best time now be-
tween Omaha and Chicago is 13
hours. No stops are to be made en-
route.

So far as Commissioner Manley
could learn, plans for air mail ser-
vice west from Omaha have not been
worked out.

While in Chicago, Commissioner
Manley was at Grant Park, the air
mail landing station, when one of
the planes arrived from Cleveland.
The trip was made in six hours. In
landing, an accident occurred. The
driver of the mail plane in coming
onto the field was compelled to
dodge an auto truck and in doing so,
lost his forward speed. His plane
dropped to the ground and turned
turtle, breaking the propeller, but
not injuring the driver, or his as-
sistant.
