

LEMON JUICE FOR FRECKLES

Girls! Make beauty lotion for a few cents—Try it!

Squeeze the juice of two lemons into a bottle containing three ounces of orchard white, shake well, and you have a quarter pint of the best freckle and tan lotion, and complexion beautifier, at very, very small cost.

Your grocer has the lemons and any drug store or toilet counter will supply three ounces of orchard white for a few cents. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day and see how freckles and blemishes disappear and how clear, soft and rosy-white the skin becomes. Yes! It is harmless and never irritates.—Adv.

CUTICURA HEALING BABY'S PIMPLES

On Left Cheek. Scratched Day and Night. Disfigured.

"When my baby was one month old pimples broke out on her left cheek and they later formed into water blisters that broke, causing them to spread till they were one crust up to her eye. She scratched day and night until she was sore, and it disfigured her face so that I had to keep her indoors. She was very cross and could not sleep.

"I read about Cuticura Soap and Ointment and sent for a free sample. She seemed to be relieved of the itching so I bought more, and she was healed." (Signed) Mrs. Leo Winkler, Fotos, Wisconsin, Aug. 13, 1918.

Use Cuticura Soap, Ointment and Talcum for every-day toilet purposes.

For Itching Torture

There is one remedy that seldom fails to stop itching torture and relieve skin irritation and that makes the skin soft, clear and healthy.

Any druggist can supply you with Zeno, which generally overcomes all skin diseases. Acne, eczema, itch, pimples, rashes, blackheads in most cases give way to Zeno. Frequently, minor blemishes disappear overnight. Itching usually stops instantly. Zeno is a safe, antiseptic liquid, clean, easy to use and dependable. It costs only 25c an extra large bottle, \$1.00. It will not stain, is not greasy or sticky and is positively safe for tender, sensitive skin.

ILLINOIS FARMER COULDN'T HELP HIS BOYS A BIT

So Run-Down He Was Unable to Do Even the Lightest Work On Farm—Gains Twenty-eight Pounds.

"You can't blame me for talking so much about Tanlac, for it has not only added twenty-eight pounds to my weight, but has completely overcome my troubles," said O. A. Kettner, a well known and prosperous farmer who lives on Route No. 1, Downs, Ill., the other day.

"I just thought I was doomed to suffer the rest of my days," continued Mr. Kettner, "and I was about to give up on the idea of getting better hold of Tanlac. You see, I had been in bad health for about twelve years, and I failed completely to find anything that would do me any good. My stomach was in such bad condition that I would just suffer agonies every time I ate anything. My food would sour in my stomach and I would be so bloated with gas for hours at a time. My kidneys were out of order all the time, too, and I would have the worst sort of pains in the small of my back. Then rheumatism struck me, and from that time on I had all the suffering that was coming to me. Why, I got so bad off that I couldn't even help the boys do little jobs around the place. I finally made up my mind that I would just have to give up trying to run my farm.

"Well, I heard about this Tanlac then, and I bought a couple of bottles, and began taking it. Now, the first two bottles didn't seem to do me any good at all, and I was about ready to drop Tanlac, but I figured that my gas was one of long standing, and that I hadn't given the medicine a good showing, so I bought one more bottle. That third bottle hit the spot, and in little or no time I was picking up right along, and from that time on I improved as fast as any man you ever saw and I am as hale and hearty as I ever was in my life. I never had a sign of rheumatism now, and my kidneys seem to be in first class condition. I don't believe I ever had a better appetite, and I get away with three square meals every day, and I am never bothered with indigestion or any other kind of stomach troubles now. I can now get out in the field and do as much work in a day as any man on my farm. Yes, sir, Tanlac was a God-send to me, and I just feel like I want the whole world to know about this wonderful medicine."

Tanlac is sold in Omaha by all Sherman & McConnell Drug Company's stores, Harvard Pharmacy and West End Pharmacy. Also Forest and Meany Drug Company in South Omaha and the leading druggist in each city and town throughout the state of Nebraska.—Adv.

TEAMSTER GETS SKULL FRACTURE WHEN ATTACKED

John Burt Severely Beaten by Strike Sympathizers; Both Sides Prepare to Continue Struggle.

John Burt, 2312 Webster street, a teamster employed by the Nebraska Fuel Co., was jerked from his wagon at Twenty-fourth and Burdette streets about 1 o'clock yesterday and severely beaten. Police say union teamsters out on strike were responsible.

Burt's skull was fractured and he received other injuries. His condition is said to be serious by Dr. S. S. Reed, who attended him and had him removed to the Swedish Memorial hospital.

The police say they received no reports of disturbances until informed that a man had been killed. They found Burt lying on the sidewalk unconscious. The identity of his assailants has not been learned.

Herbert Sprecher, 16 years old, 4367 Burdette street, was the only striker arrested up until midnight. Officer Gain arrested Sprecher at Forty-second and Hamilton streets for throwing rocks at an automobile truck. Sprecher was charged with disorderly conduct and will be given a hearing in police court this morning.

Special Officers Sworn In.

One hundred and fifty Omaha business men last night were sworn in as policemen to "preserve order during the strike period and to detect and arrest lawbreakers."

Fifty employees of Omaha firms were sworn in as policemen for regular police duty. They will report to Captain Vanous at 7:30 o'clock this morning for orders. Each will receive \$5 a day for his services.

Chief Esterstein addressed the new officers in the Chamber of Commerce. He explained the need of emergency men on whom business men and police could call for assistance at any time during the strike period.

The meeting was held at the suggestion of Police Captain Heitfeld. Wednesday night scores of calls for protection from different parts of the city had to go unanswered because of the lack of officers.

Strike to Continue.

M. W. Rooney, business agent of the striking teamsters and truck drivers, said last night that the present plans of the strikers would continue, no matter how many new policemen were added to the force.

"We have set out to reach a goal," said Rooney. "We intend to continue our methods of peaceful picketing until we have reached it. They are at liberty as far as we are concerned to swear in 10 times 200 new officers. That doesn't worry us in the least."

Three hundred picket-team captains met last night at the strikers' hall, Sixteenth and California streets.

No information was given out as to the purpose of the meeting. Only the man in charge of each picket team was admitted.

Territory Around Weston Deluged by Cloudburst

The territory seven or eight miles east of Council Bluffs was deluged by a cloudburst last evening that inflicted heavy losses on farms.

Growing crops were beaten into the ground or washed out, streams overflowed and bridges went out. Wheat fields were leveled in the vicinity of Weston.

Reports were current during the evening that washouts had occurred on the Rock Island, Milwaukee and Great Western railroads but were contradicted by local officials.

The storm had tornado symptoms in some places but no serious damage was reported from the wind.

We have announced July 1st as the date of our removal to the Barker Block, 15th and Farnam streets. We have stated that this would be the finest dental office in the middle west. That the public may know, we invite them to visit us.

In the past number of years we have done dental work for thousands—always with the understanding that we guaranteed our work. To those we suggest that if they so desire, we would be glad to inspect the work done and if any attention is necessary we are ready and would be glad of the opportunity to make good our guarantee.

With larger office quarters, improved facilities, greater capacity; the presence of specialists in every branch of dental surgery we can renew our promise to our friends and patrons that all our work in the future as in the past, is done under a guarantee which at all times we stand prepared to protect.

Until July 1st we may be found at the 403 Brandeis Bldg. office. After July 1st in our new home on the Fourth Floor, Barker Block.

Commissioner Disclaims Responsibility for City Month After Park Tragedy

Despite Accusations of Scores of Indignant Citizens, Mr. Falconer Reads Statement Before Council Declaring Boats Which Cost Lives of Four Children Were Not Leaking—No Explanations Offered of City's Negligence.

Disclaiming all responsibility for the city in the drowning of the four school children in the Riverview park lagoon May 29, Commissioner Falconer, yesterday, nearly a month after the tragedy which aroused public indignation to a white heat, read a statement at the council meeting.

Despite the accusations of scores of persons, Commissioner Falconer asserts that the boats were not leaking.

Mr. Falconer makes no attempt to explain the absence of a lung motor, which, according to the statement of one of the city policemen who assisted in the rescue work, would have saved the life of at least one of the victims.

No Reference to Physician.

Neither does Mr. Falconer make any reference to the late arrival of the city physician on the scene.

According to witnesses, the city physician did not arrive until three quarters of an hour after the accident occurred.

Mr. Falconer also fails to give his reason for ordering the boats taken out of the lagoon if they were not leaking.

Police Commissioner Ringer sat at his desk while Commissioner Falconer read his report. Mr. Ringer made no attempt to explain why there was no physician at the police station to respond to the emergency call. Mr. Ringer offered no explanation of why the pulmonator was not in working order.

Mr. Falconer's statement contains no reference to the fact that his park guards failed to report the accident until after the children had been floundering in the water for nearly a quarter of an hour.

Falconer Charges Carelessness.

"The boat was rented to a 17-year-old girl by James Connelly," said Mr. Falconer. "Connelly has

Omaha Bee Screen to Be Run at Brandeis During Coming Year

The Omaha Bee's screen magazine, produced by the Universal Film company for this paper, will be run at the Brandeis theater during the coming year as a part of the program. It is a weekly magazine in film form, covering interesting topics of the day, educational features, travel series, and a certain amount of news of the day.

Following its appearance at the Brandeis it will be shown at the Suburban and other neighborhood houses in this city and all through the states of Nebraska, Iowa and a part of South Dakota.

A few scenes of the familiar kid gang, off for the old swimmin' hole will refresh some memories that the passing of years will never obliterate. Some brand new uses for the gas mask even in the humdrum of the workaday world have been humorously suggested. Of interest to the head of the household who wields the family purse will be a few examples of the power of a penny in New York—and elsewhere.

There is depicted the invention of a Brooklyn man for stopping automobile speeders at the corner. You can get the idea and learn about the thing that will be handy if you see your worst enemy scorching down the street with your best girl.

Of vital interest is the tremendous system that the city of New York has perfected by which 3,000,000 of her population are transported each day about their business. Sidesplitting animated cartoons are a feature of the screen magazine, and the kindly witticisms and shafts of humor loosened by the Martin, sage of Brown county.

\$50,000 Damage Suit Is Settled for \$24,000; Trial by Jury Waived

Clifford Marshall was awarded damages of \$24,000 against Arthur J. Keelie after a hearing before District Judge Day yesterday. Mr. Keelie admitted responsibility for running down Marshall in his automobile and a hearing of the case by a jury was waived. The judge fixed the damages.

Marshall was walking from his home, 2824 Dodge street, on the evening of January 11 to the Municipal auditorium. At Twenty-seventh and Farnam streets he was standing near the south curb when Keelie drove along, going west, and in an attempt to pass a car ahead of him, also moving westward, he swung to the south side of the street and struck Marshall, injuring him severely.

Marshall sued for \$50,000 damages.

Hun "Stench Bomb" Cause of Northcliff's Operation

Chicago, June 19.—Lord Northcliffe, the London publisher, blames an incident at a Chicago banquet two years ago for the throat affection which caused him to undergo an operation recently. James Keeley, former Chicago publisher, said. Viscount Northcliffe recalled a month ago, Mr. Keeley said, that a "stench bomb" had been placed in the banquet hall and noxious fumes emitted, irritating his throat. The "bomb" presumably was placed by a pro-German, Mr. Keeley said.

London, June 19.—Viscount Northcliffe, former head of the British mission in the United States, who underwent an operation, is progressing satisfactorily, according to a bulletin issued by his physician.

Saying a Thing And Then Doing It

is accomplished by us every day. We say we can move you satisfactorily. We can. We say, we will move you at a certain time. We will. We say, phone us when you are ready to move and see how quick we're on the job with experienced men.
