# Amendments to Military Appropriations Bill: Criticize

Sale of War Supplies. Washington, June 24.-Without record vote, the senate adopted committee amendments to the army appropriation bill providing for an average army of 400,000 men for the The body of George Woodhouse. proprietor of the Grand hotel, was found in the boiler room of the had ended. Prohibition members streets, and then sank the pick into B. ker had recommended that the total be placed at 509,000 officers

and men. The senate adopted an amendment offered by Senator France, republican of Maryland, reducing the salary of C. W. Hare, director of sales and charge of disposal of surplus war materials, to \$12,000. Mr. Hare now is being paid at the rate of \$25,000

#### Criticize Selling War Supplies. During the discussion, Senators. McKellar, democrat, Tennessee, and Reed, criticized the manner in which war materials were being dis-

posed of by the government and especially the surplus supply of meats estimated to be worth \$65,000,000. Senator McKellar called attention to a newspaper item which said all bids for this meat had been rejected because they were too low, and charged that the packers were being especially favored by the War de-partment in the disposal of this meat. He asserted that Mr. Hare is the only man in the United States that can be found who says this meat must not be sold so that the people can get the benefit, but that it must be put on the market so that only the packers can get it."

40,000 Applications Sent Out. Chairman Wadsworth said that this meat were sold in smaller quantities or if the government were compelled to open stores for the purpose of eretailing it, that a much larger appropriation would be required. He said that applications for bids had been sent to 40,000 retail dealers and others by the War department.

anybody is criminally negligent in this matter." Senator Reed criticized the sale f \$20,000,000 worth of airplanes for \$2,000,000 by the War department and said he thought some explanation of this mafter should be made The senate also accepted the committee amendment authorizing the War department to turn over to the Red Cross hospital supplies

"I cannot see," he added, "that
