Judge Will Examine Alleged "Baby Vamp" To Test Her Powers

"She said she would 'vamp' my son if I didn't give her \$1,000 and now I guess she has done it," cried Mrs. V. Brackney of Benson in juvenile court yesterday.

The alleged "baby vampire" is 15-year-old Rose Klausner and her alleged victim is Frank Hinkley, 16 years old, who disappeared from home two days ago. He is Mrs. Brackney's son by a former marriage. Mrs. Brackney wept copiously in juvenile court. She said Frank was completely overcome by the charms of Rose and that Rose took a vampirish delight in her blossoming powers to sway men by her beauty and charm. They were always together lately, she said, and her own opposition to the juvenile romance, she believes, is what caused Frank to disappear.

Judge Troup gave orders for the alleged young vamp to be brought before him next Saturday at which time he will decide whether she is too dangerous a vamp to be left at large.

Looks Like Cherub, But His Tears Fail to Move The Juvenile Court

Marvin Wilder, 12 years old, beautiful as a cherub, with cascades of golden hair and big blue eyes, was in juvenile court yesterday for about the 10th time this year.

Though he looks like a cherub, Superintendent Sexton of Riverview home said he is "Omaha's champion bum."

Marvin wept. He always weeps and usually gets what he wants that way. But yesterday Judge Troup being accustomed to his weeping, was unmoved. Several of the women in court put their arms around him and comforted him and wept a little, too.

But the judge sent golden-haired Marvin to the Kearney Industrial school.

"They'll make a good boy out of you there," he said.

Marvin has been going about the city telling a sad tale of a sick mother and sympathetic people have loaded him with candy and money.

35 BRICKLAYERS RETURN TO WORK AFTER WALK OUT

Zimman Reports Progress In Mediation of Teamsters' Strike; Say Drivers Deserting Union.

More than 35 bricklayers, who struck on June 2 when their demand for an hourly increase of 12 1/2 cents was refused, will return to work Monday. At a conference between the secretary of the bricklayers' local and the contractors it was agreed that the increase should be granted.

W. B. Jones, manager of the Home Builders' construction department, declared that the agreement was reached Friday afternoon. Home Builders and the Skinner Packing company were the two firms principally affected by the strike.

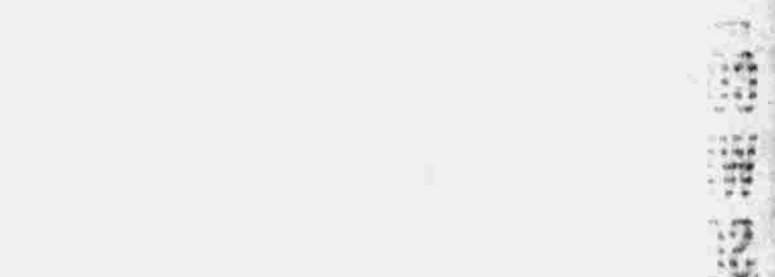

City Commissioner Zimman reported good progress in his efforts as a mediator between striking teamsters and truck drivers and their employers. Employers deny that they have agreed to any meeting with the strikers. No recession from the stand taken by the employers last Saturday, when they officially refused to meet the strikers, will be made, it was said. Many of the striking teamsters and truck drivers are reported to have deserted the union and returned to work.

Picketing has not been officially resumed, it was stated by strike leaders.

Strikers declared that they would leave the city in preference to resuming work for the "unfair" firms.

"Kids' Employment Agency" Opened at Riverview Home

A "Kids' employment agency" has been opened at Riverview home, 310 Bancroft street. Superintendent Sexton is in charge and he asks all "kids" who want jobs to register and all employers who want "kids" to register. No fee is attached to the service. The telephone number is Douglas 3024.

ADJUSTMENT THAT SQUARES with GOODRICH PERFORMANCE

In practical usage on road and pavement, Goodrich Tires are to-day consistently delivering remarkable mileage, showing an endurance that proves them the best tires the rubber industry has developed.

Knowing by actual performance what splendid service Goodrich Tires are giving, the B. F. Goodrich Rubber Company has taken a step frankly intended to induce every motorist to share the matchless mileage of its tires.

It has established this new adjustment mileage worthy of the proven durability of Goodrich Tires:

6,000 miles for Safety Treads—8,000 miles for Silvertown Cords, instead of the old adjustment of 3,500 for Safety Treads, and 5,000 for Silvertowns. The new adjustment holds good for all Goodrich Tires, including tires already purchased in the hands of user or dealer.

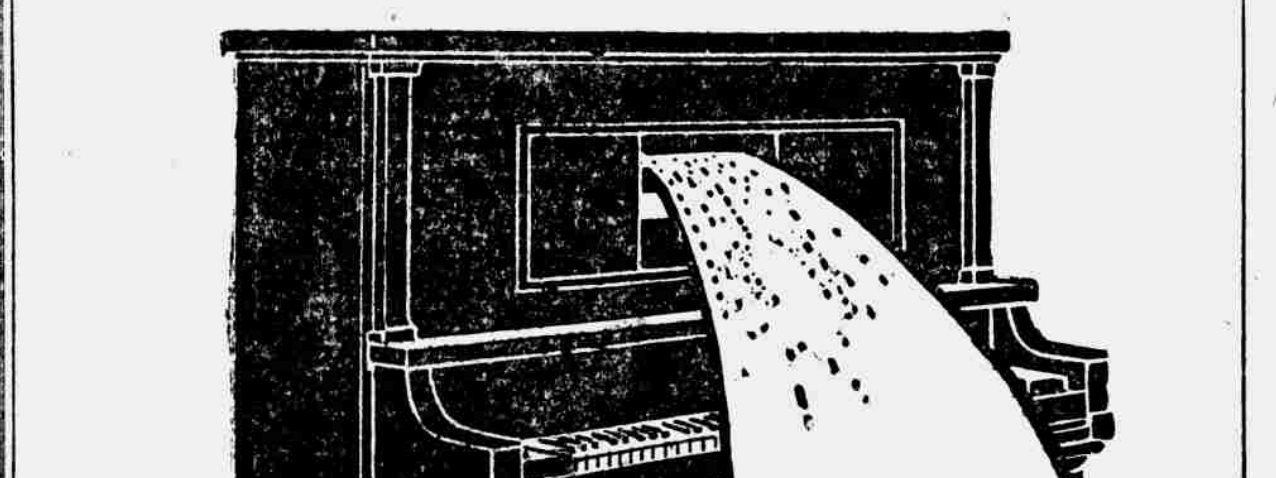

Go to a Goodrich dealer and buy Goodrich Tires, sure that they will pay in full their mileage
