

C. OF C. FAVORS PROPOSED PLAN OF STREET WORK

Boulevard System and Widening and Straightening of Downtown Streets Recommended to Council.

The municipal affairs committee of the Omaha Chamber of Commerce has placed the stamp of its approval upon the proposition looking to numerous improvements within the city limits.

By a unanimous vote, the committee has asked the city council to take action looking to the opening and widening of Douglas street from Twentieth to Twenty-fourth. It favors the widening and straightening of Twenty-fourth street from Cumming to Leavenworth; the opening of Twenty-second street from Dodge to Howard; the widening of Twentieth street from Dodge to Leavenworth, and the opening of Harney street from Thirty-sixth street west.

The plan of raising money to pay for the cost of property taken in the widening of the streets and the opening of others is a matter left to the council.

Relative to boulevards, the municipal affairs committee recommends the construction of a highway that would circle the city, following the Belt line railroad, beginning at some point in the northern part of the city and terminating in the neighborhood of the Union stockyards.

Plans for a river drive, or boulevard were presented, considered and approved. As proposed by the committee this drive, starting from the crest of the hill at Child's point, would run in a northerly direction, following the swing of the river and keeping on the crest of the bluffs, passing through Mandan park and thence on through Riverview and east of Thirteenth street. North of the business portion of the city it is proposed that the boulevard skirt Carter lake and turning east, intersect the Florence boulevard, passing on through Florence. From there it would follow the river and up into the hills in the vicinity of Ponca creek, in a northerly direction.

BEE'S SHOE FUND DID GREAT WORK, REPORT SHOWS

Total Paid Out by Fund \$1,326.81; Many Scores Aided; Committee Thanks The Bee Editor.

The Bee's shoe fund which supplied shoes to many scores of poor children last winter has been audited and The Bee has received letters of thanks from Superintendent of Schools Beveridge, the committee in charge of the shoe distribution and others. From the committee the following letter was received:

"Mr. Victor Rosewater, Omaha, Neb., Dear Sir: Enclosed find names of children who have received shoes donated by The Bee shoe fund. Trusting that this report will prove satisfactory and in a way show the great good accomplished by the fund, we are,

"Yours most respectfully,
"PEARL McCUMBER,
"FRANCES GROSS,
"MAY ANDERSON."
"Committee."

The report shows very completely just why shoes were given in each case, such as "father dead," "father in army," "father makes \$13.50 a week, 11 children."

In each case also the name of the person recommending that shoes be given is stated. Priests, welfare workers, school principals and others are among those who recommend shoes to these poor.

The total amount paid out by the fund last winter was \$1,326.81.

STATE MILLERS EXPECT DROP IN FLOUR PRICES

When the Nebraska wheat crop is harvested and is ready for milling, flour prices are going to drop 25 to 30 cents per 50-pound sack. That is the information that the Nebraska millers have brought to town.

Nebraska millers are at the Chamber of Commerce, holding their annual summer meeting, getting a line-up on prospective conditions relative to the Nebraska wheat crop now being harvested.

About 75 are in attendance. It was the unanimous opinion of the millers that with the new crop on the market, the largest ever raised in Nebraska, the premium now paid on wheat will be a thing of the past. At this time this premium is and has been for several months 20 to 30 and sometimes as much as 40 cents a bushel.

Millers say that they were compelled to pay this premium in order to obtain sufficient wheat to keep their mills running to supply their trade. Wheat will continue to sell at prices fixed by the government and as the Nebraska great ranks the highest of any grown, millers are of the opinion that the grain will sell at the government maximum.

All of the millers reported good business, with prospects of it continuing during the summer, fall and winter and that the export demand will be unprejudiced.

Nebraska flour, according to the millers of the state, all through the east is regarded as the best milled and consequently the well known brands sell at a premium over the output of mills in other localities.

Burglars Rob Insurance Co. Safe; Escape With Bonds and War Stamps

Prince In Love

London.—The beautiful daughter of a duke has won the heart of the Prince of Wales and the report is current in English society that the engagement will be announced this year.

Bayer Cross on Genuine Aspirin

Bayer Tablets of Aspirin to be genuine must be marked with the safety "Bayer Cross." Always buy an unbroken package which contains proper directions to safely relieve Headache, Toothache, Earache, Neuralgia, Colds and pain. Handy tin boxes of 12 tablets cost but a few cents at drug stores—larger packages also. Aspirin is the trade mark of Bayer Manufacture of Monoaceticacidester of Salicylicacid. —Adv.

Safe; Escape With Bonds and War Stamps

Burglars Tuesday night picked the lock on the door of the National Insurance company office, 906 First National Bank building, robbed a portable steel cabinet safe and escaped with \$1,700 in Liberty bonds and War Savings stamps.

Nathan Bernstein, manager of the insurance company, said yesterday the thieves had overlooked a number of valuable securities and checks.

Emma W. Sasstrom, an employe, lost her savings of \$270, invested in Liberty bonds and War Savings stamps.

Safe; Escape With Bonds and War Stamps

Burglars Tuesday night picked the lock on the door of the National Insurance company office, 906 First National Bank building, robbed a portable steel cabinet safe and escaped with \$1,700 in Liberty bonds and War Savings stamps.

Nathan Bernstein, manager of the insurance company, said yesterday the thieves had overlooked a number of valuable securities and checks.
