

# RAIN HAMPERS BARBECUE FOR BLUFFS HEROES

## 20,000 Attend Home-Coming Celebration at Lake Manawa for Members of Dodge Engineers.

An 1,800 pound ox, roasted to the last required turn, formed the piece de resistance of the big barbecue spread at Manawa last night as a part of the home welcome of Company B, Dodge Engineers. About 10,000 sandwiches, with cheese, pickles, olives and other things made it a real feast.

When the luscious feast was the most tempting and the eager crowd was surging forward a furious rain-storm burst almost without warning, accompanied by a miniature tornado, that sent the people scurrying for shelter.

It is estimated 20,000 people attended the celebration.

The parade at 1:30 o'clock was not as large as expected but at least 1,000 of the soldier boys were in line in uniform. Company B held the place of honor, followed by Company L and Unit K, with Colonel Macrae, Colonel Tinley, Colonel Merritt and other officers marching in the ranks at the head of their men. Company A, Captain Greene's local military unit, was the only organization that carried guns. Grand Army and Philippine war veterans were in line, the old men in automobiles. Comfort club organizations filled many of the automobiles.

## Wealthy Landowner, Despondent, Tries to Take His Own Life

J. R. McPherson, wealthy landowner and market gardener, and for more than 50 years prominent in the affairs of Council Bluffs, attempted to end his life yesterday afternoon by slashing his throat with a razor. Almost physically helpless from paralysis, he failed to accomplish his purpose through sheer weakness, and only succeeded in inflicting a number of bad gashes in his throat. The wounds are not serious.

Mr. McPherson collapsed last winter when his family was almost exterminated by influenza. His son, Roy, and Roy's wife and baby died, and another son, Russell, was stricken, and for weeks lay at the point of death. Mrs. McPherson then fell a victim to the disease and died after an illness of only a few days.

The day following the funeral of Mrs. McPherson the husband was stricken with paralysis and lay for months utterly helpless in the Edmondson hospital while Russell hovered between life and death in the Ford hospital, Omaha.

Last spring after Mr. McPherson became able to walk a little with aid of crutches he was removed to the residence of Mrs. Harrington, trained nurse, 2757 West Broadway.

## Passes to Theater Will Be Dropped From Airplane

Advertising next week's attraction at the Strand theater, Manager Harry Watts announced yesterday that pictures of Constance Talmadge, who is featured in the "Veiled Adventure," to be shown on the canvas beginning next Sunday will be dropped from an airplane, which will circle over the city Saturday noon.

Theater passes also will be dropped from the plane, Mr. Watts said. One of the Omaha flying company's machines will be used for the occasion. It will ascend from the Ak-Sar-Ben field, fly over the entire city and return to the starting place.

This will be the first venture in Omaha to press an airplane into service to advertise a local enterprise.

## 300 Delegates Expected at Meeting of Veterinarians

Registrations of 300 delegates to the annual convention of the Missouri Valley Veterinary association, scheduled to meet in Omaha next Monday, are reported. The convention will be in session three days, with headquarters at the Chamber of Commerce. Delegates from Nebraska, Iowa, Kansas, Missouri and Colorado are coming.

**Girlish, Wrinkle-Free Skin Easy to Have**

Since its remarkable and tonic properties became known, clever women all over the world have been using the stollie face bath to "tone up" their faces, remove wrinkles and draw flabby cheeks and neck back to normal. After using the solution, the face immediately feels much firmer. The skin tightens evenly all over the face, thus reducing lines and sagging. The formula is: Powdered saxolite, one ounce, dissolved in which half, one-half pint.

This simple and harmless face bath is a splendid thing for the outdoor girl; since sun, wind and fresh air are so provocative of squinting and other conditions which cause wrinkles and crow's-feet. Also it is fine to freshen up a tired face in hot, depressing weather.—Adv.

**Comfort For Buffaloes—The city council set aside from the park home fund \$14,000 for a bungalow, even, shed and house, with a fence around the buffalo enclosure in Riverview park. A shelter house, costing \$1,000, will be erected in Morton park.**

**Asks \$25,000 Damages—Mrs. Mary Thompson filed suit in district court for \$25,000 damages against the Omaha & Council Bluffs Street Railway Co. She says a street car which she was boarding at Nineteenth and Cumming streets, February 6, 1919, started with a jerk and caused her to fall to the street.**

**Romance Culminates Here—**Three representatives of three sets of twins attended the marriage of Charles A. Spooner, 68 years old, veteran newspaper man of Red Oak, Ia., to Mrs. Ada Field, 2807 Franklin street, at the latter's home Monday afternoon. The wedding followed a courtship begun 29 years ago when Mr. Spooner first became acquainted with the twin sister of Mrs. Field, whose name was Ida, and later with his present wife. The couple will live at the Field address.

## Award Contract to Grade Dodge Street; Work to Start at Once

The city council yesterday awarded to Condon & Bolen, South Side, a contract for grading the Dodge street hill. The work will be done for 98 1/2 cents per yard. It is estimated that the city's portion of the grading will amount to 133,000 yards and that private work in connection with the project will amount to about the same, making the entire job cost approximately \$250,000.

City Commissioner Towl, announced that the contractors agreed to do the private work at the same price as specified in the bid to the city.

This grading will cover an area on Dodge street, Seventeenth to Twenty-second streets, and on Eighteenth, Nineteenth and Twentieth streets, from Douglas street to Capitol avenue. The deepest cut will be 22 feet.

Regrading work will follow immediately.

This improvement will necessitate detouring of Harney and Dodge line street cars during the period of the work.

## Downtown Building at Sheriff's Auction Is Sold for \$152,000

The sale at sheriff's auction of the three-story building at the northwest corner of Nineteenth and Harney streets, for \$152,000 was completed yesterday in front of the court house.

J. W. Parrish, acting for the Thomas Davis Real Estate company, purchased the property after spirited action in which more than 50 real estate men participated.

Chief Deputy Sheriff W. A. Foster was auctioneer.

## Expect Attendance of 5,000 at Manufacturers' Picnic

The general committee having charge of the annual outing of the Omaha Manufacturer's association picnic to be held at the Carter lake club grounds Thursday afternoon and night, has reported all details complete. An attendance of fully 5,000 is anticipated, including members, their wives and families.

More than 500 prizes have been contributed and they are to be given to the winners in the athletic and sport events. The affair, which will conclude with a dance in the evening, is to be held in the Carter lake pavilion.

**Mrs. John O'Donohoe Dies**  
Mrs. John O'Donohoe, 53 years old, 2775 Burt street, died yesterday at a hospital, following a short illness. She had been a resident of Omaha for 45 years, and was the daughter of the late Cornelius Smith of this city.

She is survived by her husband, John O'Donohoe, a former police captain, and three sisters, Mrs. Rose Connelly and Miss Sarah Smith of Omaha, and Mrs. Agnes Burns of Salt Lake City, Utah.

**May Lose Her Foot.**  
Hazel Hoden, 19, elevator operator at the Brandeis Theater, who had her foot caught between the elevator and the fourth floor of the building Monday, suffered intensely yesterday, it was reported at Lister hospital last night. It is uncertain whether or not the foot will have to be amputated.

A 22 per cent decrease in the number of milk cows in Denmark is one effect of the war on the dairy industry of that country.

# FAVOR PAVED ROADWAYS 20 FEET IN WIDTH

## Omaha Engineers Discuss Plans for Improvement of Douglas County Highways.

Omaha members of the American Association of Engineers have gone on record as favoring a paved roadway of not less than 20 feet in width on Douglas county highways. This action was taken at the meeting at the Chamber of Commerce last night.

City Commissioner Towl discussed the importance of good roads throughout Douglas county and offered suggestions relative to their upkeep.

City Engineer Bruce looked with favor upon brick laid on a substantial base.

Engineer Arends favored brick, but estimated that a proper base could not be laid for less than \$3.50 a square yard.

City Engineer Bruce favored a base not less than five inches in

thickness and of a mixture of not less than one part of cement to five of sand and crushed stone.

Engineer Arends thought the base mixture should be richer than one to five, and that there should be a good re-enforcement.

The matter of base and re-enforcement was left with a committee to be appointed at a later date, to take the matter up with county, state and government engineers in charge of the road improvement.

## City Attorney Will Speak At Traders' National Meet

Frank L. Weaver, city attorney, will substitute for Mayor Smith in giving the address of welcome at the fourth annual convention of the National Traders' Live Stock Exchange Friday morning. Mayor Smith notified J. H. Bulla, president of the organization, that absence from the city would prevent his participation in the morning's program.

## Hun Assembly to Discuss Peace Treaty Wednesday

Basle, July 8.—The bill of the German government for the ratification of the peace treaty, according to a report from Weimar, will be presented at once to the constitution commission of the national assembly. The measure will be discussed Wednesday by the entire assembly.

A written guarantee goes with every machine.

Come in tomorrow and let us demonstrate it to you.

Burgess-Nash Co.—Third Floor.

**Clogard Folding Wardrobe A Portable Closet—Keeps Moths Out**

THE illustration gives you some idea of these moth and dust-proof wardrobes. Unlike so many moth bags, the Clogard wardrobe is odorless.

Requires No Camphor Balls, Tar Paper or Moth Flakes, or other ill-smelling chemicals, which discolor and impure the texture, luster, life or elasticity of furs or other fabrics.

The Clogard wardrobes are manufactured from closely woven fabrics, including cretonne, art ticking, denim, etc., in plain colors or fancy patterns to harmonize with any surroundings; can be hung anywhere, the clothing placed on hangers within, as in a closet.

They are shut tightly by unique closing device; can be quickly opened or closed to take out articles as needed. The contents are kept in natural position, clean, free from odors and ready for instant use.

Burgess-Nash Co.—Third Floor
