Jurors and spectators shuddered at did called at the afternoon session. He described in detail the injuries found on the head, face, body and legs of Mrs. Emerson and indentified sev-

Dr. Fry's Testimony. Fry, whose office is on the d floor of the Emerson building, told of seeing the defendant, Roy Emerson, in the office of the undertaking establishment about 2:30 p. m. on the day of the alleged murder The doctor said he re-mained in his office from about 2:30 to 5 p. m. when he left for a short time, returning about 5:30. Upon his return, he said Dr. J. W. Coakley told of finding the body, and asked him to go to the basement of the building, where he found Miss Devot, Dr. Coakley's bookkeeper, and Dr. Oro Coakley. Dr. Fry described the spots on the floor of the workroom, and also told of finding drops of blood on the under side of the threshold of elevator door.

All three doctors gave it as their opinions that death was due to a fracture of the right temple, and said they believed the injury had ound near the elevator door.

Frank Ball, cashier of the Iowa State Savings bank of Creston, said that two days before the alleged murder Mrs. Emerson came to him and instructed him not to honor any checks signed by Roy Emerson un-less they bore her counter-signature.

## Fail to Reach Agreement

New York, July 12 .- A prolonged conference between representatives of the United States Shipping board and officials of the International Scamen's and Marine Firemen, Oilers and Water Tenders unions, failed to bring about a settlement of the strike which has interferred with shipping along the North At-lantic and Mexican gulf coasts. Union leaders claim the ranks of

the strikers are being augmented and that many of the 50,000 men employed by the shipping board have walked out, although the ultimatum to the federal board does not expire until Tuesday.

Early in the evening Detective

Early in the evening Detective Johnnie Pszanowski arrested Harry L. Rogers, O'Brien hotel, at Fif-teenth and Harney streets, believing that he is one of the gang. Rogers says his home is in Atchison, Kan. He is booked at Central Station for investigation. He denies he is one of the gang.

## Presage General Walkout

of Ohio Electrical Workers Youngstown, O., July 12.—Electrical workers of the Bell and Ohio State Telephone companies, who, together with more than 200 telephone operators are on strike, announce that unless some step taken toward ending the strike, all electrical workers in this district will be called out, paralyzing industrial power plants and domestic

lighting. The strikers, who demand recognition of the union and a higher wage, will decide at a conference Sunday what action shall be taken.

# Good Tire News Flies Fast

So wherever you go, you hear it. "Goodrich has THE Tires".

Praise and enthusiasm over it is in the air. Dealers, chauffeurs, garage men, are talking it-passing along the message, "Goodrich is making the strongest, best tire the rubber industry has produced."

And Goodrich is. The triumph speaks in the figures on the Goodrich Square by which Goodrich asks you to judge Goodrich, and all other tires.

Square the price of any tire with the Goodrich List Price. Square the mileage backing it with Goodrich's More-Mileage Adjustment - 6,000 miles for Fabrics-8,000 miles for Silvertown Cords

That will tell you about tire values, and show you why thousands of tire users are flocking to share in the superb service of these big, husky, More-Mileage, Goodrich Tires.
