

Stomach is Quick to Upset When School Children Are Idle

VACATION days are days of over-eating and under-exercising for most boys and girls. They loiter around nibbling at light food, unconcerned whether the fruit is green or ripe.

The result is cramps, skin eruptions, pimples, "summer colds," constipation and diarrhea. The basis of such trouble is an upset stomach, and nothing will give safer and quicker relief than the well-known Dr. Caldwell's Syrup Pepsin. It is just a combination of simple laxative herbs with pepsin, a formula evolved some 30 years ago by Dr. Caldwell himself. Syrup Pepsin is now used by millions of people and is today the largest-selling liquid laxative in the world.

It is the mildest and gentlest of laxatives. It regulates the stomach and bowels so well that they can soon work normally again without the aid of medicine. And unlike the harsher physics and cathartics, Syrup Pepsin does not gripe or cause discomfort, even to a tiny baby.

A bottle of Dr. Caldwell's Syrup Pepsin can be bought at any drug store for 50c and \$1, the latter the family size. A free trial bottle can be had by sending your address to Dr. W. B. Caldwell, 480 Washington St., Monticello, Ill.

OPPOSITION TO CONVENTION IS GROWING FAST

Many Approve Plan of Attorney Breen to Appeal to Courts to Halt Drafting of Constitution.

Lincoln, July 18.—(Special)—The rumor that Attorney John Breen of Omaha was to appeal to the courts, in an effort to prevent the holding of a session of the constitutional convention has caused considerable discussion. Many are of the opinion that one of the contentions of Mr. Breen that the manner provided by the legislature for the election of delegates is unconstitutional finds considerable support among men who are interested in the convention. The part of the constitution which provides for the election of dele-

gates to a constitutional convention reads: "The convention shall consist of as many members as the house of representatives, who shall be chosen in the same manner." Opponents of the nonpartisan plan of nomination and election hold that there is no provision in the election and primary law for the nomination and election of candidates for the legislature on a nonpartisan ballot, but that the law especially provides for a partisan ballot, therefore, in an effort to elect members of the constitutional convention in "the same manner" as those elected to the legislature there must be a partisan ballot and a partisan election. They hold that the "same manner" means just what it says.

There is also sentiment growing that Nebraska has chosen the worst time in its history for the making of a new constitution. The state and whole country is in a state of unrest. Strikes, profiteering, high prices and the like, it is argued, have brought about prejudicial conditions that are liable to affect the election of delegates to the convention and the new constitution. They hold that the state cannot afford to have a new constitution drafted under any but the best of conditions relative to the best interests of the state without regard to any factional difficulties.

Treasurer's Report Shows \$571,354.60 in School Fund

Lincoln, July 18.—The state apportionment of school funds, as shown by the report of State Treasurer Cropsey to the state superintendent, shows a total of \$571,354.60. This is made up from the following: Interest on bonds, \$286,287.56; interest from school lands, \$194,748.94; lease from school lands, \$173,892.45; game and fish licenses, \$12,115.25; miscellaneous licenses, \$40,810.29; state taxes, \$46,110.05.

Members of Legislature Will Retain Old Seats

Lincoln, July 18.—Members of the legislature will not have to apply for reservation of seats for the special session as they will retain their old places. Secretary of State Amburgey has had several applications from members who appear to think that it will be necessary to make application. Members in both house and senate will find their seats still waiting for them, although the senators will have to look in the supreme court room for a place to occupy, as the senate has been pre-empted by the good roads and automobile departments of the state engineer's office.

President of Stromsburg Bank Dies in Boulder, Colo.

Lincoln, July 18.—Railway Commissioner Victor E. Wilson received a message from Boulder, Colo., that his brother, J. W. Wilson, of Stromsburg, had died. Mr. Wilson was president of the First National bank of Stromsburg and it was principally due to his incessant work in war activities that he broke down and went to Colorado for his health. He came to Nebraska in 1880 and has been one of the leading factors in the building up of Polk county. He was 53 years old.

Appeal: \$175 Judgment for Missing of Telegram

Lincoln, July 18.—The Western Union Telegraph company has appealed from a judgment secured in the Merrick county district court by James M. Kyle of Palmer. Mr. Kyle sent a message addressed to Clay Robinson & Co., National Stock Yards, Ill., located near St. Louis, ordering that firm to ship him a carload of pigs. The message was sent to Clay Robinson & Co., National Stock Yards, Chicago. It is alleged by the plaintiff that the pigs could have been bought in St. Louis at \$11 per hundred, while the price paid for the car sent him from Chicago was \$13.50 per hundred. He sued for the difference and received a judgment for \$175.63.

Assessed Valuation of State Shows Big Increase

Lincoln, July 18.—(Special)—According to Secretary Osborne of the State Board of Equalization, 66 counties of the 93 in the state have reported on the assessed valuation of the counties, showing a total thus far of \$83,622,538 as against \$82,610,287 in the same counties last year. PASTOR LOST FOR THREE YEARS NOW HAS REAPPEARED

Nebraskan Who Suffered Lapse of Memory in 1916 Recovers and Writes to His Mother.

Stella, Neb., July 18.—(Special)—Rev. J. Paul Reeves, who mysteriously disappeared in the winter of 1916, has been heard from in California. He was pastor of the Christian church at Morrowville, Kan., at the time of his disappearance, and was well known in Stella. He had often filled the pulpit here as his parents lived in Stella for a while. His father was pastor of the Stella Christian church a year or so ago, and moved from here to Guide Rock. Now he lives at Palmer, Neb.

The young wife and two small children of Rev. Mr. Reeves were visiting at the home of his parents at the time of his disappearance and were cared for by friends and relatives. They are now with Mrs. Reeves' parents in Oklahoma.

The mother of Rev. J. Paul Reeves has received a letter from him stating that he suffered a lapse of memory and had just recovered from the affliction. Rev. Mr. Reeves left Morrowville to spend the day at Washington, Kan., and after starting back to Morrowville mysteriously disappeared.

He was last seen at or near Hadam, Kan. It was during the heavy winter snows and some thought he had started to walk to his church in the country and had fallen by the roadside. Previously he had complained of not feeling well.
