ROURKES WIN IN SPITE OF UMP'S BAD DECISIONS

Capture Last Game of Series From St. Joseph, 6 to 4; Umpire Freshwater Challenges Dolan.

The Rourkes captured the final game of the St. Joe series by a score of 6 to 4. Umpire Freshwater's work savored greatly of the Holmes variety and he was roundly hissed by the crowd. At the close of the game, Manager Dolan of the leaders challenged him and they went around behind the stands, but nothing came of it.

There was no scoring for two innings, but in the third, the Josies managed to sneak one across, Hargrave getting a two-bagger and scoring on Kelleher's single. The Rourkes went runless in this frame. Each club scored three in the fourth, Sr. Joe on a single, double, sacrifice fly and another single. Omaha made its counter on three successive singles by Jackson, Mason and Hemmingway.

The locals scored again in the fifth, Spellman making a two-bagger and advancing a base on a wild pitch and scoring on Schatzman's out at first. Jackson singled again in the sixth and was out on a fielder's choice of Mason's grounder to the pitcher. Hemmingway popped to third and Lee brought Mason home with a three-base knock, but died on third when Graham popped to the pitcher.

New York Americans' Owners to Get Injunction Restraining League Head From Interference.

New York, Aug. 4.—One of the bitterest internal fights major league base ball has experienced is expected to follow the developments today in the case of Carl Mayes New York American league pitcher, who was indefinitely suspended by President Ban Johnson of the American league for refusal to pay a fine. The Yankee club officials not only took steps today to begin injunction proceedings against the league president to restrain him from preventing New York using the player, but also issued a statement in which it directly charged that Johnson is interested in the Cleveland club.
