Former Heads of Departments Now Have Title Will of "Chief" Under Reorganization.

Lincoln, Aug. 5 .- While they may not deck themselves out in war plumage, former heads of state departments will now go under the name of "chief" and Chief Koster, Chief Beach, Chief Wild and other good Indians will no longer be known under the titles of game wardens, fire commissioner, health commissioner and the like.

This was agreed at a meeting of the cabinet composed of the board as the other secretaries, while Frank Kennedy, former labor comof secretaries which will now oper- missioner, and H. H. Antles, the ate the business of the state under

of all departments will be taken up.

Not all of the secretaries were MKELVIE WILL present Tuesday at the first meetpresent Tuesday at the first meet-ing in the executive offices. The governor, Secretary of Finance Phil Bross, Secretary of Agriculture Leo Stuhr, Secretary of Trade and Com-merce J. E. Hart were there. The others were out on state business, but on August 14 there will be another meeting in which organization

Secretaries of the cabinet will be required to give a bond for the faithful discharge of their duties. Secretary Phil Bross of the department of finance, who, as private secretary to the governor, gave a bond for \$10,000, will now give a bond for

\$25,000. Secretary Leo Stuhr of the department of agriculture, who as food and oil commissioner gave a bond for \$25,000, will give the same now; Secretary Hart of the department of trade and commerce, who gave a bond for \$25,000 as secretary of the banking board, will give the same bond in his new position. Sec- eral Davis and to Secretary Sthur retary Johnson, who as state engi- of the agricultural department covneer gave a bond for \$10,000, will now as secretary of the department of public works, give the same bond

the other secretaries, while only new man on the job, will give ike bonds.

Under the new law such boards as the insurance, banking and one two others will be done away with, but the two big boards, educational lands and funds and the epualization board, will still stand eing constitutional boards.

The secretary of finance will have considerable jurisdiction over taxation matters, having the authority to require certain things to be done. but the assessment board will handle matters of levies and valuaions, as heretofore.

Danger Lurks In Summer Foods For Babies

EVERY mother knows the evil effects of summer heat on cow's milk. This danger is equally great to all foods unless carefully kept in a cool place away from insects.

Bad food loses its nourishing value. It causes constipation and diarrhea. These are at best always prevalent in the summer time. They depress the mind and weaken the body, and may cause more serious illness. The first precaution is to see that

needed that will regulate and tone the bowels, and you will find none safer and better than Dr. Caldwell's Syrup Pepsin. It is a combination of simple laxative herbs with pepsin that millions of mothers constantly have in the house for just such purposes

A bottle of Syrup Pepsin can be bought at any drug store for 50c and \$1, the latter the family size. A free trial bottle can be had by sending your address to Dr. W. B. Rhoumatism sufferers are restored to the pleas-ures of life by RHEUMACHOL. Crutches and canes are thrown away, and one plunges again into the joys and recreation of fishing, swimming, outing and athletics without fear of rheumatic pangs and pains after using a bottle or two of RHEUMACHOL.

Were RHEUMACHOL made anywhere but in the shadow of the snow-capped Rockies, where Nature has impregnated the waters with Radium and other curative minerals it would be only an ordinary Rheumatic rem-edy. But RHEUMACHOL is made in Idaho Springs, Colorado, where thousands of sufferers come yearly for

RHEUMACHOL is carrying these same curative ef-fects to every nook and cranny of the continent, at a nominal cost. Scores upon scores of letters from drug-gists and sufferers alike tell us of phenomenal cures. Frank Streamer, a Boulder, Colorado, druggist, says: "There may be other specifics for gout, lumbago and rheumatism, but I recommend and sell more RHEUMA-CHOL than any other. No one has expressed anything but highest approval for RHEUMACHOL.

RHEUMACHOL is a blend of science and nature, which ejects acid poisons causing rheumatism. It re-places afflicted nerves and joints with purified tissues. Thousands upon thousands of bottles have been sold under the makers' money-back guarantee, and not one dissatisfied claim has ever been made.

Lincoln, Aug. 5.—The Continen-al Gas and Electric corporation, which has an office in Omaha, has iled a protest with the State Railway commission against the Hooper Electric Light Co., in which it charges that the latter company has iolated an agreement and order of he commission in that in the building of a transmission line by both companies from Fremont to Hooper was stipulated that one mile of he line should be built jointly and the same poles used.

The Continental company now claims that the Hooper company built the line first and that now the complaining company cannot put up its wires without placing them 10 feet above the feet above the wires of the Hooper company, which, it charges is a dangerous thing to do.

State Banks to Join System Lincoln, Aug. 5 .- (Special.) - A. Ramsey, agent for the federal and bank in Kansas City, with O. Eastman, manager of the Omaha ederal bank, were in Lincoln Tuesday and visited the state house. The object of the visit is for the purpose of interesting the department of banking in having state banks line up with the federal reserve banks. It is said that 13 state anks in Nebraska are already oprating under the system and it is noped to make it unanimous, thus butting the state banks under the same conditions as national banks.
