Will Play Three Games With Local Club, Starting This Afternoon; Gislason and Hemmingway to Be Here.

The Tulsa Oilers arrived this morning for the opening game of the series of three tangles with the Rourkes, this afternoon. Manager Jackson promises them a reception that will be as warm as any they ever received on their own hot ball grounds. He expects to clean the series and start on the upward climb to first place with these games.

The confidence displayed by Jackson has some foundation, for he has a corking new outfielder in Lee ples, stars of the local club, Ed Cleveland Detroit

Gislason had a growth on his left hand lanced and it caused a very Indianapolia sore and painful digit. He was forced to lay off a few days, stepping in to fill an opening the other day, when not fit to play. The wound has healed and the crack second sacker will be in the line-up during these games.

George Gunnette, crack back-stopper, considered one of the best catchers in class B circles, is playing a great same this season and is also a dangerous hitter, especially in the pinches. Few players have attemted to steal when he is behind the bat. George caught for the Stags, chempions of the Metropolitan league several seasons ago, but last season played with the Florence Merchants.

Elmer Nufer, the "langy" hurler who has pitched his team to the pennant is one of the best moundsmen in the city in class B circles and is claimed by many to have an edge over the majority of the class A twirlers. A short time ago, "Elmery", as they call him, pitched the Outfitters to a victory over the Jimmy Moore, the crack class A twirler and who will be given a try-out by Jack Coffey's Des Moones Western league warriors. Nufer has pitched for the Florence Merchants and one four-hit affair. He has a world of steam, good control and keeps the opposing batters guessing. Last season her pitched for the Florence Merchants and in a post-season game defeated the National Cask Registers, class B city champions. He will hurl the pill for the Outfitters in the coming city series.

Thus far this season only three errors, two of these being hard chances, have been registered against him. As lead-off man, he practically always reached the initial sack, in the opening frame. He played with the Florence Merchants last, season until he signed up with Uncle Sam's army.

Walter Nufer, crack second-sacker is a wonderful player. He is easily the best second baseman in the City league, and Manager Pascal believes he is the best in amateur bail in Omaha. Always in the game, with lots of pep, although he looks slow, he is the fastest man on the team in the fleiding department, only making a pair of errors thus far. He has cut off many a sure hit and made a number of sensational catches, which looked like clean hits. Although he has been slumping at bat, his batting average thus far is 304. He is a dangerous man in the pinches and is looked for by many of the fans to spring a big surprise in the coming series. Last season he held down the same position for the McCaffrey Motor Co.

A gent who covers acres of ground, hits the ball on the nose when hits mean runs, and who has played a sensational fielding game thus far this season, is Jesse Custard, the "Boy Wender" who holds down the left garden Jesse performed in the same position for the Florence Merchants last season, and will be seen and heard from in the left garden during the series.

One of the most popular and well-liked amateur base ball players is "Dutch" Koehler, who will be seen in the center garden in place of Easton, who was released by Manager Pascal on account of rowdyism. "Dutch" was formerly with the Bowen Furniture team and is considered one of the best outfielders in class B circles. He is heavy with the willow and has played on several championship teams.

Benny McIntyre, rightfielder, was formerly a third baseman. When he received his discharge from the navy and returned to Omaha be turned down several offerst from other teams as he preferred to play with his former teammates, although this was quite a change. Was So Run Down It Was Thought Nothing Could Help Him-Tanlac Restores Health.

"I am seventy years old, but since taking Tanlac I feel as well and strong as I did when I was a young man, and can do as much hard work in a day as any man thirty years younger than I am," said J. P. Heady, a well known retired farmer who lives at Kearney, Mo., while in the Owl Drug Store in

Kansas City a few days ago. "Well, sir, when I commenced taking Tanlac," he continued, "I had been told that my case was hopeless, and that I could only live a short time. My stomach had been in bad condition for many years, but for the past eighteen months I was about past going altogether. Everything I ate would sour and I would be bloated with gas for hours at a time. My liver was in bad condition, too, and I was consti-pated so badly all the time that I had to take a laxative every day. Then in addition to this, I had heumatism in my feet and legs so bad that I was not able to walk half the time. I didn't know what a good night's sleep was, and finally got so weak and run-down that I was just about down and out, so far as health and strength goes. No treatment or medicine I took seemed to do me the least bit of good.

I just kept on until I had taken ten bottles of Tanlac, and now my troubles are all gone, and I feel fine all the time. My appetite was never better, and I eat things now that I haven't dared touch for years, and I never suffer afterwards. The rheumatism is gone, too, and I never have an ache or pain. I got about ten hours good, sound sleep every night. My general health is better than it has been in many years, and my entire system has been wonderfully built up. I can do all sorts of hard work now, and it doesn't tire me but very little. Yes, sir, Tanlac can't be beat, and I'll tell the world that it is the best medicine I ever saw in my
