HERE YOU ARE. IN SAYING SO. Dundee is one of the most attractive residence districts in Omaha; many folks move out to Dundee; very few ever leave; the restrictions here which have caused this addition to be built up more uniformly than any other in Omaha; the development of the vacant ground into building sites of high character; the people themselves who have bought and built on these same lots, are responsible for every owner taking a personal pride, not only in his property, but in the fact that his family lives in Dundee Uniform restrictions and careful development result in good homes—good homes create stable values. 4432 Decatur street, 6 rooms modern with garage, fine fruit, possession Aug-ust 15.
