You should know that
In the "Omaha Empire" there is one bank to every 1,456 people; in the United States, one bank to every 3,666 people.

GET TO THE BOTTOM OF THIS.
Mayor Smith has made a sensational report to the city commissioners on certain features of the food situation in Omaha.

Truth and Ghosts
A peculiar difficulty (in the investigation of psychic phenomena) which has not been sufficiently noticed arises from the reluctance of persons who have jumped to conclusions of these things to admit, on subsequent proof, that they were wrong.

Truth and Ghosts (continued)
Recently I had an experience of this in investigating a haunted house, a remarkably well attested case.

Amend the French Treaty (continued)
1. All references to the covenant should be stricken out because it, the covenant, indirectly requires us to make what its advocates may describe as the "supreme sacrifice."

Daniels and Free Speech.
Suppression of Admiral Rodman's speech at San Diego by the secretary of the navy is certain to excite much more comment than would have followed the address had it been delivered.

"Jerry" Wants an Investigation.
Omaha, Aug. 7.—To the Editor of The Bee: It was mortification to read in your three "B" column...

MUCH IN LITTLE.
Donald is an example of an industrial city deliberately put beyond the possibility of competition by dynamism in the hands of the Germans.

Americanizing Hotel Kitchens.
The National Hotel Men's association in session at Chicago, with delegates from every state, is reported to be devoting much attention to the "Americanization of the hotel kitchens."

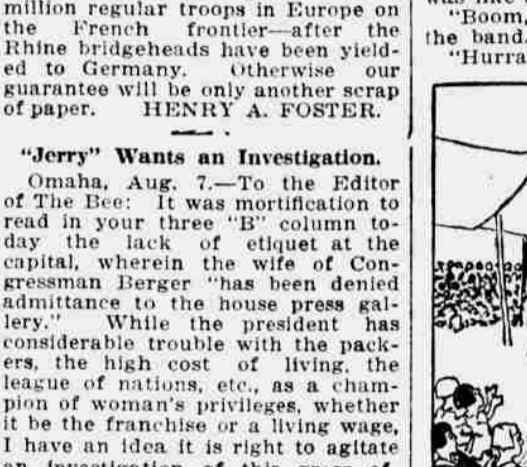

Setting the Shop Hands' Strike.
Chairman Cummins of the senate committee on interstate commerce in a most deferential manner passed the shop hands' strike back to the president, who in turn slips the buck along to Director General Hines of the railway administration.

The Tiger of France.
The vote of confidence in the French chamber, which assures Premier Clemenceau of a further lease of power, will find an echo of approval in Canada, where the aged premier numbers his admirers by the tens of thousands.

The Tiger of France (continued)
Premier Clemenceau has not disguised his hope that he might be permitted to retire from public life when the peace treaty has been ratified.

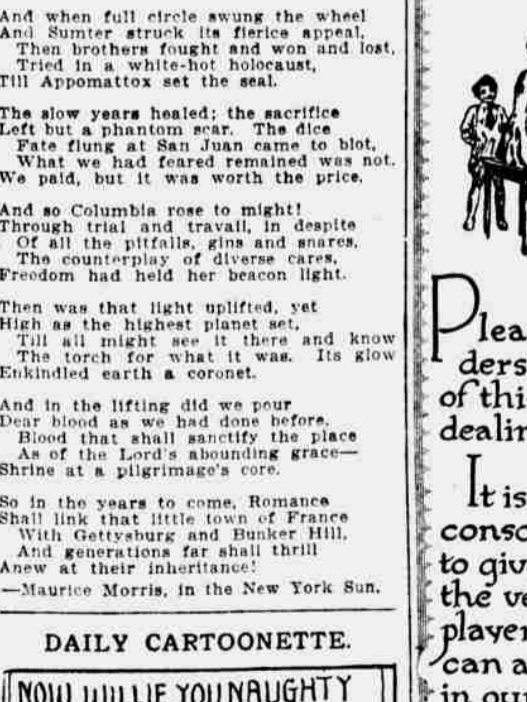

Judge Owl Finished His Program With a Stately Bow.

ODD AND INTERESTING.
The public holidays in Russia number 26 in a year.

IN THE BEST OF HUMOR.
The golfer must keep his eye strictly on the ball.

ODE FOR CHATEAU THIERRY.
At Concord and at Lexington
The fabled Freedom was begun;

AND HE DID...
NOW, WILLIE, YOU NAUGHTY BOY, GO STRAIGHT OUT OF THIS ROOM AT ONCE!
