**DUNDEE
Omaha's Residence District**
OUR REASONS WHY

ITS LOCATION on the hills in the western part of the
city where the air is clear and pure, and sunshine, grass and
flowers are in abundance for all. In the direct line of growth
and progress of the city, traversed by the Lincoln Highway,
it is the MOST DESIRABLE residence district in Omaha.

ITS DEVELOPMENT has largely been responsible for
its growth. We endeavor to put a finished product on the
market with streets properly laid out, the grade of all lots
made most adaptable for home sites and each lot served with
the modern conveniences, sewer, water, gas, electricity. We
pay money to give our development A CHARACTER and
then we guarantee a continuance of this character to all
purchasers by the BUILDING RESTRICTIONS, which really
give value to the property and are heartily endorsed by all
owners. Established grades must be maintained and street
lines adhered to in building. The addition itself is the best
proof of the real merit of our restrictions, adopted for only
one purpose—to protect every home owner.

WE HAVE A DESIRABLE LOCATION FOR
YOUR HOME—A PLEASURE
TO SHOW YOU
