"I had to go sixteen miles to get my first bottle of Tanlac, but from the way the medicine helped me, I Thirtcenth street. would gladly go a hundred miles Mrs. George M. Burns, of 1900 GO AFTER THAT a Tanlac representtive, recently. "For six months before I com-

helped by it, told me I ought to take it. At the time, I was living at Chautauqua, Kan., and had to go to Sedan, about sixteen miles away, to get the medicine, but it was certainly worth going that distance, or more, for because the Tanlac helped me almost from the very start. My appetite picked up right away, so I continued to take Tanlac and now I can eat just anything I want and what I eat does me good, too, because I am gaining in strength right along. I have already gained nine pounds in weight and my nerves are in fine condition and I can sleep just as soundly at night as a child and get up in the morning feeling perfectly rested and refreshed. Tanlac has certainly built me up, because my general health hasn't been as good as it is now for years and I have recommended the medicine to many of my friends and all who have taken it tell me they have been benefited. Tanlac has done me more good than anything I have ever taken and I cheerfully recommend it for stom-ach trouble and for those who need a general building up."

Tanlac is sold in Omaha at all Sherman & McConnell Drug Company's stores, Harvard Pharmacy and West End Pharmacy. Also Forrest and Meany Drug Company in South Omaha and the leading druggist in each city and town through-out the state of Nebraska.—Adv.
