

YOUNG BENNER OBJECTS TO HIS MOTHER'S WILL

Asks Order Admitting Testament to Probate Be Set Aside—Wants Money Provisions Changed.

Van Wyck Benner, 15-year-old son of the late Mrs. Happy Theodora Van Wyck Benner, is not satisfied with his mother's will, which provides that he shall receive \$250 a month until he is 21 years old. He filed a petition in county court yesterday through Fernando W. Benner, his father and guardian, asking that the order given by that court yesterday admitting the will to probate be set aside. He also asks leave to file objections to the will.

The petition alleges that the will precludes him from the possession and enjoyment of his mother's estate until he is 30 years old. "I do not believe mother wanted such a provision made," young Benner declares in the petition. "If I should have a family it would also be deprived of funds."

The will as it stands provides that he shall receive the entire proceeds of the estate after he is 21 years old, but not have charge of the property until he has reached the age of 30. The Benner estate is estimated at \$500,000.

Charged With Murder.

Charles Joiner, negro, was charged with first-degree murder yesterday by County Attorney Shotwell on the recommendation of a coroner's jury inquest held Thursday to investigate the death of John Walker, negro, who was fatally wounded on August 13 by a revolver bullet alleged to have been fired by Joiner. The shooting occurred at Twenty-fifth and Grant streets.

Threatens to File Kidnaping Charge Against Mother-in-Law

Unless Mrs. Lizzie Dent, 3916 T street, returns Thomas Louis Hoban, 2 1/2 years old, to his father, Thomas F. Hoban, within the next few days, a charge of kidnaping will be filed against her, Mr. Hoban declares.

Mrs. Dent, who is Mr. Hoban's mother-in-law, made an unsuccessful attempt in the county court last month to obtain possession of the child, who was ordered given to his father. When Mr. Hoban called at the Dent residence this morning he was told the woman had taken the boy and left the city.

Mr. Hoban explained the case to County Attorney Shotwell, who wrote a letter to Mrs. Dent's husband commanding the return of the child. Unless the demand is complied with within the next few days, Mr. Hoban declared he would have a warrant issued for her arrest.

"No Politics" in Plan to Reorganize State Troops

Contrary to a report, the purpose in organizing the members of the Fourth Nebraska regiment is not political, according to the statement by J. Kilmartin and W. F. Bruett, whose names are signed to a call for a gathering of the former soldiers in the council chamber next Thursday.

"Our purpose in organizing an association is purely social," said Mr. Bruett, "and when anyone makes the statement that politics will enter into our plans he is mistaken."
