work of the Gering high school.

Supt. T. R. Crawford, class of '12, of the Chadron schools spent a few hours in Hastings renewing acquaintances one day last week.

The student enrollment at Hastings college is now sure to surpass that of any other year in the history of the institution. All the dormitories are full and students are taking rooms in the vicinity of the campus for the coming year. A new dormitory has been purchased from the Seventh Day Adventists which was filled in the course of ten days.

The buildings on the college campus are now being thoroughly renevated. Papering and painting is going on in all of them. Are now being thoroughly renovated. Papering and painting is going on in all of them.

Among the newly elected teachers are: Miss Luella Carter, who has had charge of modern languages at Bellevue college the last 12 years. She has her Bachelor's degree from Oberlin college and her Master's degree from the University of Chicago, and has been doing special work along the lines of French and Spanish during the summer. She will have charge of this department at Hastings college the coming year. Miss Edith D Mattoon, who has been head of the English department of the Lawrence high school, Lawrence, Kan, for six years, and a graduate of the University of Nebraska, with a large amount of post-graduate work in other institutions, will assist in the English department the coming year. On account of the large growth in enrollment this additional teaching force in the department of English is made necessary.

### Drs. Crabtree & Crabtree, Chiropractic Specialists In Charge Nebraska Chiropractic College

Founded in 1908, Chartered and Incorporated, the college was born of a desire to advance the profession of Chiropractic to that high plane we believe to be its rightful place.

The par excellence of the Nebraska Chiropractic College is well known.

Its graduates take first place as educated professional men and women. Our college has always welcomed the woman student, and has given her equal opportunity, rights, and privileges. We have women graduates making several hundred dollars a month, and the demand for Nebraska Chiropractic College Chiropractors is increasing. A chiropractic dector equipped with Nebraska Technic is in demand everywhere, because it gets results.
