"EVERYBODY'S STORE"

OUR PROGRESS SALE

A Most Opportune as Well as
a Most Unusual Sale of Silk

DRESSES

In the DOWNSTAIRS STORE

ONE of our purchases made for selling during the coming season but with no place to store them—what were we to do?

Price them at a low figure and dispose of them immediately. Therefore this ridiculously low price of less than one-half the intended selling prices.

We illustrate but Eight of the many models.

Watch Our Progress

At the very beginning of this great store, the people at large instantly recognized and approved of our methods.

Our principles and methods have always been subjects of much favorable comment with our many patrons.

We are delighted, and marvel at our wonderful growth in so short a time as five years, but all that we have done in the past seems like little compared to our future plans.
