# WILSON DISCUSSES PEACE TREATY WITH SENATE COMMITTEE

supplies are being rushed into the Declares League of Nations Covenant Imposes No Legal Obligations For Use of American Military Forces in Protecting Any Other Nation But Might Involve "Absolutely Compelling Moral Obligation."

> Washington, Aug. 19.—President Wilson, interpreting the league of nations covenant today for the senate foreign relations committee, declared it imposed no legal obligations for the use of American military force in protecting the territory or independence of any other nation.

But he added that the covenant might involve, in certain circumstances, an "absolutely compelling moral obligation" which might be even stronger than a legal promise.

Marfa, Tex., Aug. 19 .- An American airplane returned tonight from a scouting trip into Mexico with two bullet holes through the machine. The aviator obesrver said he was fired on by three Mexicans. He returned the fire with a machine gun and believes he killed one. The cavalry is pursuing the band, he said, Pursuing Bandits.

Rain soaked and saddle-weary, the American troops of the Eighth cavalry tonight were pursuing the Mexican bandits who held Aviators Peterson and Davis for ransom over the Mexican mountains south of the

Following release of the two aviators near San Antonio, Chihuahua,

day gave no intimation that contact had been made with the bandits or

mountain district south of the Ric Grande Big Bend district multiplied the difficulties of the American troops. In the Ojinaga district tor-

rential rains made it difficult to folew the "hot trail" on which the roops crossed. Clouds and low visibility prevent-

ed the airplanes from rendering good cout service. Despite the handicaps the Americans swept forward. The bandit band, led by Jesus Renteria, is believed to be hiding in the mountains nd army officers familiar with the rough country through which the pursuit is being made said it probably would be necessary to search every canyon and mountain pass to

It now is believed a comparatively mall number of bandits was involved in the kidnaping. In Wild Country.

ocate the scattered bands.

The district within the angle formed by a junction of the Rio Grande and Conchos rivers is the wildest section of northern Mexico. noted for rugged mountains, deep anyons and barren deserts. The Conchos river flows into the Rio Grande near Ojinaga after tumbling through San Juan pass from Cuchillo Parado to San Juan Del Rio. Both rivers are lined with cottonwood trees. Lowland farms in Delta Conchos are the only green spots to be seen in the entire district, where palo-verde, mesquite and cactus grow. Barren hills, rocky canyons and mountains are superimposed on mesas beyond the border over which

winding trails are traced in white. Along these trails the cavalfymen were making their way tonight. The columns often were forced to break into deachments and wind slowly up the sides of mountains, down box canyons, always alert for a bandit ambush. The soldiers and officers wore rain-soaked uniforms, covered with dampened dust. Their forses were tired from the long orced march.

The troops are on field rations rom mule pack-trains, as no field kitchens were taken.

## Maintain Communication.

The communication line is being naintained to the border, along which supply trains and couriers pass from the base on the American side to the columns in the field. A field wireless pack and airlanes are maintaining communication with headquarters here. The torm if interfering with field telecommunication throughout he district.

The line to Presidio tonight was out of order and nothing was troops from Ojinaga, opposite that point. Orders were issued at hear quarters here to all commanders in the expedition to use every care to protect peaceable Mexicans.

The remainder of the \$15,000 ranom which Capt. Leonard F. Matlack brought back to Candeleria crew who had been at work all night after having tricked the bandits into cleasing Lieutenant Davis without paying the full ransom, was deposited in a bank late today. It amounted to \$6,500.

It was said here tonight that it irtually was impossible to carry out Maj. Gen. Joseph T. Dickman's rder instructing officers to pay the (Continued on Page Two, Column Three,)
