Cattle—Receipts of cattle were pretty liberal for Thursday, around 6,500 head being reported in. Quality of most of the supplies was pretty trashy and the general market was very draggy, not enough natives here to make a market but the under tone was firm, shippers paying $15.00 for good yearlings.

Western beef was in light supply and sellers thought the market about steady but packers were bidding lower and nothing had been done up to a late hour.

Butcher stock was slow and everything but canners sold lower. Feeder trade was 10@25c lower, the least decline being on the most desirable kinds, offerings were generally good and clearance fair.

For the week desirable western beef and feeders are about steady with the commoner kinds selling 25@50c lower. Canners are steady and good cows not over 25c lower but the medium classes of butcher stock are as much as 50c@$1.00 lower in most cases.

Sheep—A hundred car run of sheep and lambs arrived for today's market and offerings appeared to be somewhat in excess of the demand. Inquiry from both packers and feeder buyers was rather backward from the start and an easier understone featured the trade. Good fat grades sold very nearly steady however, and best lambs changed hands at $16.85@17.00 and better. Best ewes are quotable up to $9.00 and toppy wethers around $10.50. A smaller outlet for feeder lambs resulted in a rather slow trade, but values were fairly well maintained. Choice black face feeder lambs sold around $15.50@15.60, medium and common grades ranging on down the list according to weight and quality.

Quotations on Sheep: Lambs good to choice, $16.75@17.00; lambs fair to good, $16.00@16.75; good to choice feeder lambs, $15.25@16.75; medium feeder lambs, $14.25@15.00; heavy and common feeders, $12.50@14.00; yearlings, $11.00@12.00; wethers, $9.50@10.50; ewes good to choice, $8.25@9.00; ewes fair to good, $7.00@8.00; good feeding ewes, $6.00@7.00; ewe culls and canners, $4.00@5.00; breeding ewes, $8.00@12.75.
