### SPECIAL CLERKS IN POSTOFFICES **WILL GET RAISE**

Thirty Employes in Omaha Benefitted Under Ruling Obtained by Congressman Jefferis.

BY E. C. SNYDER.

Washington, Aug. 23 .- (Special Telegram.)-Special clerks in the Omaha and sub postoffices to the number of 30 or more will be gratified to learn that through the interest of Congressman Jefferis, aided by C. P. Franciscus, president of the United National Association of Postoffice Clerks, with offices in New York City, Postmaster General Burleson has issued a ruling that where special clerks, whose basic salary is \$1,300 a year and whose efficiency rating is 90 per cent or over, will from July 1 of this year receive \$1,400 a year which, with the bonus of \$240, will give them a salary of \$1,640.

Some time ago L. P. Dyherberg of Omaha, acting as spokesman for the special clerks of the main and sub postoffices in that city, wrote Congressman Jefferis, enclosing a resolution signed by all the specials in which they pointed out the alleged discriminations against them in former postoffice appropriation bills and stating the postmaster general was responsible for the discrimination. Representative Jefferis had a conference with Chairman Steenerson of the postoffice and post roads committee in which Mr. Steenerson stated that a request had been made by the postmaster general that the \$1,800 minimum salary be not ap-plied to special clerks. Chairman Steenerson, however, assured the Omaha man that the matter would be taken up in the next postoffice

appropriation bill.

Meantime C. P. Franciscus wrote President Wilson, calling attention to the unjust discrimination. The letter in due course reached Postmater General Burleson, who yesterday informed Mr. Franciscus of the increased salary for special clerks and in recognition of Mr. Jef-feris' efforts in behalf of these clerks Mr. Franciscus communicated the foregoing information to the congressman today.

Starts Membership Drive The first step in the membership drive to be staged by the American Legion of Douglas county Monday, Tuesday and Wednesday of this week was taken yesterday afternoon when a parade of scores of automobiles filled with veterans and decorated with American Legion pen-
