Radium and Beauty

Radiator
Aids to Beauty

WERE beauty as fragile as the fleecy clouds of a summer sky, *Radiator Pass de Velour* would still be fine enough. But *Radiator Pass de Velour* is more than an exquisite face cream of delicate perfume.

THE higher virtues of *Radiator Pass de Velour* are written in the far-famed complexions of thousands of Englishwomen. It contains real radium, that purifying element akin to sunlight. The radium assists the skin to purge itself of all impurities. It opens the way for the true natural beauty in your complexion to reach its loveliest fulfillment.

Radiator Face Powder, Radiator Vanishing Cream and the other *Radiator* preparations also contain ingredients of highest efficacy. But the radium makes them help the skin in an entirely new way. You will feel the difference. You will see the difference.

RADIATOR Co., LTD., of London

The *Radiator* Preparations are sold at all shops and stores which serve women of taste.

Write for the most interesting and instructive beauty booklet of the year—"*Radium and Beauty*."
