Mrs. Annie Fonarow Asks Husband Be Restrained

Mrs. Annie Fonarow filed an answer yesterday in district court to the petition of her husband, Wolf Fonarow, for a divorce. He has a shoe store at 2001 North Twentyfourth street. A month ago he filed ployes, charging them with violation suit for divorce, alleging that his wife refused to cook his meals or sweep the house, let the garbage accumulate for weeks, cursed him and threw her wedding ring at him.

She denies all these allegations, and says he has failed to support her properly. Since filing his suit for livorce, she alleges, he has come to her home, 2706 Sewart street, with a loaded revolver. She asks the court for a restraining order to keep him from molesting her. She says he owns a flat at 2704 and 2706 Seward street, and at 1602 and 1604 North Twenty-seventh streets, has a \$3,-000 stock of goods in his shoe store, and an income of \$100 a week.

BILL REQUESTS MORE MONEY FOR WAR HEROES

Yanks Injured in Service May Get Increase Ranging From 50 to 150 Per Cent.

Washington, Aug. 25 .- Increases ranging from 50 to more than 150 per cent in the monthly compensation paid under the war risk insurance act to disabled soldiers and sailors are provided by a bill recommended for passage by the house interstate commerce committee. Proposed extension of free insurance for two years, however, was rejected.

The principal provision is that providing the increased payments or disability, rated as total and temporary. Single men would receive \$80 a month instead of \$30 provided by the original act; those with a wife, \$90 instead of \$45; those with a wife and one child, \$95 instead of \$55; those with a wife and two or more children, \$100 instead of \$65; those without a wife, but having one child, \$90 instead of \$40, with \$5 additional being allowed for each of two additional children. Partial disability is to be rated by percentage of the foregoing.

Another important amendment, estimated to cost the government \$5,000,000, is that granting automatic insurance for 120 days to every one in service at any time between April 6, 1917, and Novembr 11, 1918.

The new measure extends the permitted class of beneficiaries to uncles, aunts, nephews, nieces, prothers-in-law, and sisters-in-law. Likewise the terms "father" and 'mother," of the original act are extended to include step or adopted

Representative Sweet of Iowa, author of the bill, said an effort would soon be made to pass the bill ever, no more fliers had put in apthrough the house.

Mineola, N. Y., Aug. 25.-Three fast airplanes swooped down on Roosevelt field here Monday night, completing the first leg of their rines as identification tags and all round trip flight between Toronto and Mineola, in the first international aerial derby.

Sergeant Frank Combs, an American aviator, flying a Dh-9, with 400 horsepower Liberty motor, was the first arrival, landing at 7:11 o'clock -just six hours and 11 minutes from the time he started on the 500 mile coure at Toronto. His actual flying time, however, was only three nours and 35 minutes, stops having been made at Buffalo, Syracuse and Albany.

Roland Rohlfs, famous American test pilot, who was the first flier to "hop off" at Toronto, despite the fact that he had previously suffered a spill when his plane turned tur-tle, landed at 7:19 o'clock and Major R. M. Schroeder, another American flier, who had elected to start the race at the Toronto end, arrived four minutes later. Rohlfs gave his time from start to finish as six hours and 28 minutes and Major Schroeder gave his as six hours and 22 minutes, but neither announced their time in actual flight.

The three fliers hope to start the return trip to Toronto between noon and I o'clock tomorrow, provided their machines can be given a thorough overhauling by that

A large crowd which had turned out to greet the racers remained for several hours after their arrival hoping to witness other arrivals or to get word of the landing at Toronto of some of the 28 planes which left here during the afternoon on the Mineola-Toronto leg of the race. FAMO A Builder of Health

Aside from the essential compounds necessary to life that are present in Schlitz Famo - protein and carbohydrates—the organic acids, aromatic compounds of the hop content and carbonic acid gas, exert a very beneficial action.

They have a specific antiseptic property to suppress the development of harmful bacteria that may be lodged in the intestinal tract.

They stimulate — refresh — and assist digestion by replacing to a certain extent the hydrochloric acid of the stomach—cause it to flow more freely -increasing the secretion of the digestive juices.

Drink Schlitz Famo freely - it is a worth - while cereal beverage, nonintoxicating, healthful and satisfying. Good and good for you.
