REORGANIZATION OF RAILROADS PLAN OF G. O. P.

House Members Hold Party Conference and Map Out Legislative Program for Rest of Special Session.

Washington, Aug. 26.—House republicans, meeting in a party conference tonight, agreed that the legislative program for the remainder of the special session should, if possible, include railroad reorganization, adoption of policies for operating the merchant marine and reorganizing the army and the enactment of measures for retirement of civil service employees and for the rehabilitation of industrial cripples.

No formal program was drafted, but the leaders in speeches urged action on these measures, though admitting that the completion of such a program was doubtful before the beginning of the regular session in December.

Opposition to the Mondell bill, carrying out Secretary Lane's plan for farms for soldiers and sailors, developed after Representative Scott of Michigan had proposed that its consideration be deferred until after the November convention of the American Legion at Minneapolis.

RETAIL STORES U. S. PLAN TO LOWER H. C. L.

Government to Continue Purchasing Necessities That Public May Buy.

Washington, Aug. 26.—Further steps to bring down soaring prices were taken today by the government when it announced plans for opening retail stores in 14 zone centers and some other large cities through which surplus household commodities and clothing will be made available to consumers throughout the country.

Meantime congressional committee continued consideration of legislation designed to reduce the high cost of living. This included amendments to the food control act to prohibit profiteering and hoarding; bills to regulate cold storage, and appropriations for the federal trade commission to investigate stocks and give the information to the public.

Through the retail stores to be opened by the War department, the army's large surplus stocks of socks, underwear, shirts, raincoats, blankets, gloves, hats, caps and other household commodities will be sold.

Two Infantry Units Will Be Sent Overseas; Resume Recruiting

Washington, Aug. 26.—The Fifth infantry regiment at Camp Taylor, Kentucky, and the Fiftieth at Camp Dix, N. J., with two regular field hospitals and one regular ambulance company are to be sent to Europe in the near future to replace similar organizations of the First division which could not be withdrawn from Europe were they not replaced.
