MORE STRIKERS JOIN WALKOUT

Employers Refuse to Grant Demands and Men in "Unfair" Work All Quit Their Jobs.

The ranks of the striking stationary engineers and firemen were materially swelled late last night when employes of concerns who had not met their demands for increased wages walked out in accordance with the strike order issued Wednesday morning. Engineers and firement at many of the power plants had been requested to delay action until last night in order to give employers an opportunity to confer over the matter of an increase. Unless some decison was reached at 11 o'clock last nihgt union officials threatened to call the remaining power plant operators from their obs. Baker Says Two Major Tasks Confronting

Washington, Aug. 27.—Conditions of which the public has knowledge make it important that a thorough state of efficiency in the American army be reached with as little delay as possible, Secretary Baker de-clared in a letter today to Chairman Kahn of the house military affairs committee, which went exhaustively into the reasons why he has asked congress for authority to retain a maximum of 18,000 commanding officers in the military establishment up to June 30, 1920.

Pointing out that the two major tasks now facing the War department are the "complete rebuilding of a permanent military force" and the liquidation of property valued greets Empress patrons today, with at \$6,500,000, Secretary Baker said a comedy sketch "Excess Baggage." authority to retain a maximum of toplining the bill. Strand-Norma Talmadge in "The Way of a Woman" is breaking all records at this popular house. The star is the most popular girl on the screen and is becoming more so. This picture is very suitable. She gets the sympathy of the audience from the beginning, a swet, lovable character, giving up so much for her dear mother and sister, and bearing so much from a proud but unsuccessful father. The suffering she goes through without complaining is pathetic, but we see her made very happy when her first love comes back and asks her to share his name and fortune.

Rheumatism A Home Curc Given By O e Who

In the spring of 1893 I was attacked by Muscular and infianmatory Ricematian. I suffered as only those who have it know, for over three years. I tried remedy after remedy, and dector after doctor, but such relief as I received was only temeorary. Finally, I found a remedy that cured me completely, and it has never returned. I have given it to a number who were terriby afficied and seen bedridden with Rhoumatian, and it effected a cure in every case.

I want every sufferer from any form of rheumatic trouble to try this marvelous healing power. Don't send a cent; simply mailyour name and address and I will send it free to try. After you have used it and it has proven itself to be that long-tooked-for means of curing your Rheumatism, you may send the price of it, one dollar, but, understand, I do not want you money unless you are perfectly satisfied to send it. Isn't that fair! Why suffer any longer when positive relief is thus offered you free? Don't delay, Wite today. Mark H. Jackson, No. 559-F Gurney Bldg., Syracuse, N. Y. Mr. Jackson is responsible. Alkali In Soap Bad For the Hair

Soap should be used very carefully, if you want to keep your hair looking its best. Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and ruins it.

The best thing for steady use is Mulsified cocoanut oil shampoo (which is pure and greaseless), and is better than anything else you

One or two teaspoonfuls will cleanse the hair and scalp thoroughly. Simply moisten the hair with water and rub it in. It makes an abundance of rich, creamy lather, which rinses out easily, removing every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves the scalp soft, and the hair fine and silky, bright, lustrous, fluffy and easy to manage.

You can get Mulsified cocoanut oil shampoo at any pharmacy, it's very cheap, and a few ounces will supply every member of the family for months.—Adv.

How to Lose Your Tan, Freckles or Redness

A day's motoring, an afternoon on the tennis ground or golf links, a sunbath on the heach or exposure on a lake trip, often brings on a deep tan or vivid crimson often brings on a deep tan or vivid crimson or, more perplexing still, a vigorous drop of freckles. A very necessary thing then is mercolized wax, which removes tan, redness or freckles quite easily. It literally peels off the affected skin—just a little at a time, so there's no hurt or injury. As the skin comes off in almost invisible flaky particles, no trace of the treatment is shown. Procure an ounce of mercolized wax at your druggist's and use this nightly as you would cold cream, washing it off mornings. In a week or so you will have an entirely new skin, beautifully clear, transparent and of a most delicate whiteness.

Mrs. Gossage Gains Twenty Pounds Taking Tanlac-Troubles Ended.

"I've gained twenty pounds since I began taking Tanlac and I'm feeling better every day I live," said Mrs. J. A. Gossage, of 440 North Lawndale street, Kansas City, Mo. "For two long years I suffered from stomach trouble and nervous indigestion," she continued. "Everything I ate soured on my stomach. Gas would form and press against my heart until it would flutter and beat so fast I felt like I was going to smother. I had severe pains around my stomach and there was a gnawing feeling there, too. I was so dizzy that if I stood up suddenly I would stagger and had to hold on to something to keep from falling. "I had tried all sorts of medicines.

hoping to get relief, but nothing did me any good until my brother-in-law persuaded me to try Tanlac. He had been greatly helped by it and I hadn't taken a half a bottle before I noticed gas didn't form and make me sick any more. Of course kept right on taking Tanlac after that and now I can eat anything I want without any trouble and I feel so fine I can do all my housework without getting tired.
