

READY FOR BIG SALVATION ARMY HOME CAMPAIGN

State to Raise \$512,000, All of Which Is to Be Spent Within Its Boundaries.

Prominent men in Omaha and Nebraska are lining up for the Salvation Army reconstruction home service drive.

The drive will be made during the week of September 21 to 27 and the state home fund, all of which will be spent in Nebraska, is for \$512,000.

Buildings for Omaha include a new state rescue and maternity home for women with a capacity for 150 women, a new state headquarters building having under one roof a young women's boarding home with 125 capacity, relief department, aid for the poor, auditorium and corps quarters, and a new building for No. 2 corps. New buildings will be erected at Hastings and Kearney. Building plans have been made by local architects and have been approved by local committee. The Salvation Army is having the endorsement of the Knights of Columbus, the Elks, organized labor, churches and all of the soldier boys in the state who were given aid by the Salvation Army workers at the front in France. Sunday, September 21, has been designated by the ministerial association as Salvation Army day with sermons on the subject, "The Good Samaritan."

Omaha men acting as state and city committeemen are: Chairman, L. S. Sinton; city chairman, Judge Charles Leslie; state vice chairman, Col. Fred A. Grant, United States army, retired; treasurer, John L. Kennedy, vice president United States National bank; George Brandeis, Brandeis stores; W. B. T. Belt, Nebraska Telephone Co.; Dr. E. C. Omaha Chapter Red Cross in Charge of State Fair Exhibit

The home service section of the Omaha chapter, American Red Cross, will have charge of the Red Cross exhibit in this department at the Nebraska state fair held in Lincoln. Mrs. Charles M. Wilhelm, chairman of civilian relief department and Miss Mildred C. Scott, executive secretary will represent the Omaha chapter in the home service booth and conduct the work there. They will be glad to give information to any discharged sailor, soldier or marine regarding insurance, compensation, vocational education, applications for the \$60 bonus and extra mileage application for arrears of pay, Liberty bonds subscribed for and not delivered, the government plan for giving homesteads to discharged service men. The department is especially interested in the men who were wounded or ill while in service and are now suffering from a disability so as to help them obtain all that the government is eager to give them.

Man Who Broke Jail In Kearney, Neb., Found In Omaha Hospital

The truthfulness of Nathan Wolfson, 22 years old, of Chicago, resulted in his arrest Thursday at St. Joseph's hospital, where he had gone for treatment of a bullet wound. He told the hospital authorities he had been shot by a detective. The hospital authorities telephoned the police and Wolfson was found to be the man who escaped from the Kearney, Neb., jail last Saturday and was shot by a detective as he was getting away. Officers from Kearney will come to Omaha to take him back. He was in jail, charged with robbing freight cars at Kearney.

Soldier Advances \$110 On \$312 Check; Police Seek Stranger

Police say that George Dohlbey, La Cross, Wis., a discharged soldier, is the victim of a smooth-working confidence man, who, early yesterday, got \$110 of Dohlbey's money.

Dohlbey, the police say, met a stranger at the Union station, who represented himself to be a railway mail clerk. During a conversation he asked the soldier to cash a check for \$312 for him. He said he had his money locked up in a railway mail car and could not get it before 10. Dohlbey gave the man \$110 and promised to meet him after a while and give him the balance of the check. Later, however, he became suspicious and reported the matter to the police.

Girl Struck by Street Car While On Her Way to Work
Miss Lou Martin, 257 North Harrison street, was struck by a street car at Seventeenth and California streets while on her way to work yesterday. She was badly hurt.

When Patrolman Coffey asked P. H. Segur, proprietor of the laundry, for the girl's name he refused to furnish the information, the policeman said. Segur was arrested on a charge of interfering with an officer.

Ticket Office to Close
The consolidated ticket office of the United States railroad administration in the Union Pacific railroad headquarters building, Fourteenth and Douglas streets, will be closed all day Labor day, it was announced yesterday.
