as last year, and efforts to break records will probably fail. Houghdahl made a mile in 1:05 3-8, but was unable to break his record of last year of 1:01 2-5.

More than 40,000 people were in attendance. The grand stand filled to overflowing early in the afternoon, the bleachers soon filled, and the crowd was allowed to cross over into the quarter-stretch.

Exhibits are in place and the buildings and grounds indicate that all Monday records were eclipsed.

President Wolcott said "I don't hardly know how to express my satisfaction over the way the Victory fair is starting out. Everything is up to our fullest expectations, and what more could we say?"

Tuesday the circus will arrive, and also Lieutenant Locklear, the airman, who performs on two planes at the same time.

Horse racing will start Tuesday, and with the crowd in attendance Monday should be a record breaker for attendance.

FILE SUIT TO TEST VALIDITY OF FARM BUREAU

Hall County Farmers to See If County Board Has Right to Refuse to Finance Institution.

Grand Island, Neb., Sept. 1.—(Special.)—The long awaited mandamus suit of the Hall county farm bureau against the Hall county board of supervisors, to which many other counties in the state are said to be looking for a supreme court test of the constitutionality of the law requiring boards to finance such bureaus when legally petitioned to do so, was filed in the district court Saturday. An early hearing will be sought and it is likely that both of the local district judges, J. R. Hanna and Bayard Paine will sit in the case. Attorney C. G. Ryan will represent the farm bureau and County Attorney Sahr, and perhaps a special assistant, will represent the supervisors.

On July 26, 506 persons, farmers of this county, organized a Farm Bureau. Two days later 353 members of the farm bureau, petitioned the board of supervisors to appropriate a sum of money from the general fund of the county for the

purpose of promoting improvement in agricultural methods, the production and more economic distribution of the results, and to employ a county agent to aid the work. A budget for estimate of the funds necessary for the carrying on of such work was filed. The budget for the period from July 28, 1918, to January 15, 1920, amounts to \$1,478.06.

On the following day the petition was taken up by the supervisors and was rejected and disallowed. The suit, which has just been filed, is to test the validity of the action of the supervisors.
