Kiss No Man

Jesse L. Lasky Presents **MARGUERITE CLARK**

## in "GIRLS"

THEY just hated men! And they solemnly swore never, never, never—but accidents will happen! A man fled into their apartment one night, and from that moment the Man-Haters' League was doomed. Not that the girls wanted him there. Mercy, no! And they were dreadfully vexed at all the terrible things—and men—that happened afterwards. Still—ah, well, some men are not so bad.

See winsome Marguerite Clark as queen of the League—and its worst backslider. A delightful picturization of Clyde Fitch's famous play.
