# O MO THAREE"

RARMERS slapped daylight saving law silly.

If congress keeps on monkeying with that law everybody will be dizzier than a roach trying to crawl downstains on an escalator. First, they and the cuckoos chirping one dozen at 11 o'clock, and now they've got em shortchanging us again. First thing you know the sun will think it's the moon

WITH"BUGS"BAER

The bill croaking the daypower saving was passed over the president's veto. A veto is some authority possessed by an executive that gives congress the parliamentary power to call him a liar without being pinched. F'r instance, congress passes a bill, the president smears his Blacklock mare came from behind, than 3,000 persons were in the grand veto on it, and congress passes it again.

The only feature about the whole works being that congress gets double pay for doing a thing once.

The farmers don't want to save daylight. They don't want to save the farmers don't want to save daylight. They don't want to save the farmers don't want to save daylight. They don't want to save the farmers don't want to save daylight. They don't want to save the farmers don't want to save daylight. They don't wa

Now congress has put the clocks back sixty little tic-tocks, but who's going to put the eggs and milk back sixty ticks? You can't blame the farmer for trying to get even. First congress gave 'em an hour of daylight and then took it back again. You can't borrow an hour like you can a lawn mower. An alarm clock is a thingamajigger that makes the can a lawn mower. An alarm clock is a thingamajigger that makes the burn. br. g., (Furbush). 1 1 Birgola, b. s. and Almah, b. m., 2 (Cox). wrong noise at the right time. It wakes the city sapps up and it wakes

wrong noise at the right time. It wakes the city sapps up and it wakes the country lobs up, the only difference is that the bird in the country gets up and stays up.

The hicks got their extra hour of sunbeams and also about everything else. They're all plodding around in Rolls-Royces complaining about John D. shooting gasoline up to 30 cents a gallon. We also get the surplus hour of about as much light as will filter through a smokespangled office window. But we don't, get anything extra to look at.

| C(ox) | (Cox) | ( TO SEVEN GAMES surplus hour of about as much light as will filter through a smokespangled office window. But we don't, get anything extra to look at.
The only complace we have is that congress is going to get after the The only comeback we have is that congress is going to get after the producers of the high cost of living.

> Indicating that early to bed and earlier to rise, makes a man healthy, wealthy and investigated.
