

## COMPLETE PLANS FOR MERCHANTS' MARKET WEEK

Reports of Omaha Wholesale Houses Indicate a Record Attendance of Out-of-Town Buyers.

The eighth annual fall merchants' market week which will begin next Monday and last for four days, is expected to be one of the largest and most successful ever held in Omaha.

Reports received by the Omaha Chamber of Commerce from large Omaha wholesale houses, indicate that the attendance this year will far exceed that of any previous year. A program of events scheduled for the entertainment of visiting merchants was completed yesterday. On Monday, the first day, an Orpheum theater party for the women, and a show at the Ak-Sar-Ben den for the men, is scheduled.

Tuesday a great open air carnival and picnic at Miller park, followed by a dance at the Prettiest Mile club has been arranged.

A special vaudeville show and dance will be given for the visiting merchants at the Ak-Sar-Ben den on Wednesday. On Thursday, the last day of the market week, an airplane exhibition, followed by a dinner and dance at the Field club, is to take place. Following the dinner about \$1,000 in gifts will be distributed.

An added attraction, which is expected to swell the attendance, is the speech of President Wilson Monday morning. Many merchants will come to Omaha Sunday to hear the speech, according to wholesalers.

## LEADERS IN RENT RAISE PROTEST ORDERED TO MOVE

Two Tenants of Angelus Apartments Given Notice to Vacate.

Beecher Higby and S. M. Günsaul, tenants of the Angelus apartments, 204 South Twenty-fifth avenue, have been served with notices to vacate, because they were leaders in the recent demonstration of occupants of this flat in a general protest against the increased schedule of rents.

T. A. Donohoe, manager of the apartments, served the notices September 2, giving these tenants three days in which to move.

Mr. Higby and Mr. Günsaul have retained G. W. Shields to represent them and protect their interests and rights.

"We will fight the case. I do not care to disclose our intended procedure at this time, but you may say that we will fight the notices to vacate," said Mr. Shields.

Mr. Higby and Mr. Günsaul were recently served with notices that their rents would be increased \$15 per month, beginning October 1. Other tenants of the Angelus were similarly notified of increases, not all being as much as \$15 per month.

The Angelus tenants held a meeting and decided to file formal protest with Mr. Donohoe, which was done. Messrs. Higby and Günsaul were among those who were most outspoken in their expressions against the increases. Mr. Higby appeared before the city council at two rent investigation meetings and voiced his protests there.

Mr. Donohoe admitted that he served the ouster notices on Messrs. Higby and Günsaul because they were "disturbers."

It is understood that the tenants who have been served notices to vacate can take advantage of a law which would make them secure in their present locations for more than six months if they want to follow that course.

Tenants of the Beaton apartments, Thirty-second and Farnam streets, report that no raise in rents has been announced. It is explained that this arrangement applies to present tenants who were granted an increase of \$5 per month a year ago.

City Commissioner Butler reports that he is proceeding with his investigation of valuation records as applied to flats and apartments. This is in connection with a resolution adopted a week ago by the city council.

"I am checking up the valuation figures in the county assessor's office and I am giving the assessor the new valuation figures which the apartment and flat owners and managers claim should be applied in justifying their new schedule of rents," Mr. Butler said.

## New Teachers Arrive

### For University of Omaha

Miss Mary Cox, who has been teaching in the Wisconsin State Normal has accepted the position of instructor in kindergarten and primary methods at the University of Omaha.

Dr. Madsen, in charge of the department of psychology and educational methods, has arrived and is ready to meet with teachers and pupils for conferences.

Dr. Madsen will take part in the institute conducted under the auspices of the Omaha public schools. Indications are favorable for an enlarged enrollment for this fall.

## After Vacation Peel Your Discolored Skin

Women returning from the seashore with reddened or freckled complexions will be wise in immediately taking up the mercurized wax treatment. Weather-beaten skin had best come off, for no amount of "beautifying" will ever make such skin really look young and sure. safest, easiest way to shed the despoiled cuticle is with the treatment suggested. Put the wax on before retiring, as you would cold cream, and, rising in the morning with warm water. Minute particles of scurf skin will peel off day by day, gradually showing the healthy, youthful complexion.

One ounce of mercurized wax, obtainable at any drug store, is enough to make any discolored or spotted complexion clear, white and satiny soft. Its action is so gentle and rapid that it is caused and the face shows no trace of its use.

## Larger Landing Fields Are Needed For Big Airplanes

The wreck of the huge Lawson transcontinental airliner at Syracuse, N. Y., Thursday, was caused by the smallness of the field in which it landed, in the opinion of Assistant Commissioner Ellis, of the Omaha Chamber of Commerce.

Mr. Ellis has been in close communication with Alfred W. Lawson, builder of the giant passenger plane for some time, and Mr. Lawson on several occasions emphasized the need of a very large field for landing, Mr. Ellis says.

"We are making preparation to put the Ak-Sar-Ben field in shape for the arrival of the airliner," said Mr. Ellis, "and will continue in spite of the wreck. We are also planning to secure a much larger field and may have it by the time the Lawson plane arrives."

It is only a matter of time till every municipality will have to provide large landing fields for such planes as Mr. Lawson has built."

## Board Rejects All But 2 Omaha Bids For Paving Bonds

County commissioners yesterday rejected all except two of the nine bids for the first \$1,000,000 of Douglas county highway improvement bonds. The two bids still under consideration are those of the Peters Trust Co. of Omaha which is \$1,023,000 and the Omaha Trust Co. which is \$1,017,500.

There are certain conditions in both these bids regarding the amounts of the \$1,000,000 to be taken and paid for at various times. Accountants will figure out the advantages accruing to the county from each bid and then award the bonds to the best bidder of the two. The decision will be made next Tuesday.

**Steel Works Picnic**

Employees of the Omaha Steel works and their families will be the guests of the company at an all-day picnic at Elmwood park today. Preparations have been made for the entertainment of 300 persons. The picnic will start at 10 and the day will be filled with athletic and humorous stunts.

## John H. Cestian Dies

John H. Cestian, 44 years old, 231 Laurel avenue, died Wednesday night after a lingering illness. His wife survives him. Funeral services will be held at 3 Saturday afternoon, at Stack & Falconer's undertaking parlors. Burial will be in Forest Lawn cemetery.

Mr. Higby and Mr. Günsaul have retained G. W. Shields to represent them and protect their interests and rights.

"We will fight the case. I do not care to disclose our intended procedure at this time, but you may say that we will fight the notices to vacate," said Mr. Shields.

Mr. Higby and Mr. Günsaul were recently served with notices that their rents would be increased \$15 per month, beginning October 1. Other tenants of the Angelus were similarly notified of increases, not all being as much as \$15 per month.

## THE NEWEST THING

*The Revival of the Double Breasted Suit in Styles for Young Men*

DOUBLE breasted suits have always been known and worn; but when we say double breasted suits now we don't mean the old kind. Hart Schaffner & Marx have created an entirely new type of double breasted. High chested, snug waisted, broad lapels, flared skirts; the jauntiest, snappiest styles you've ever seen. Some have

belts; some half belts; with some the belt is detachable—wear the coat without it if you choose. The young men are taking them fast. We have very smart single breasted models, too, of course; very snappy new types; we hope to see you looking at them. Special values here at.

\$50

## What About a new rain coat

Some belted all around, some with half belts; some with inverted pleats in the back, some with plain backs. They're light weight yet waterproof, making them the ideal coat—and to make them still more attractive we have priced them very moderately.

## For Men Who Want the Best

BUSINESS men of standing require clothes that look like the man's position; and a good many men think such clothes can't be had ready-made. It's an expensive thought, but it's their own money. We've studied clothes construc-

tion pretty carefully; we're showing suits for business men, made the custom way; clothes that drape well, fit well; made with no padding nor stiff canvas; shaped by hand. They're wonderful clothes. We have sizes to fit every figure. Special values at.

## A Few Words Concerning Your Haberdashery for Fall

### Knit Neckwear 1.95 to 3.95

MAIN FLOOR—MEN'S STORE

### Silk Shirts \$15

That's a great deal of money, but men who want the best don't hesitate about the price. The satisfaction of getting the finest quality, of selecting from the richest range of patterns, of an assortment that comes from the most highly recommended makers. Fit, finish, style, individuality—these shirts have them all.

## The Store Pre-Eminent in Matters of Correct Dress for Men

We've found during our years of experience in the men's furnishings business that men are fastidious to a peculiar extent. Usually they don't say much, but do lots of thinking. The average man who makes a purchase tries on a hat, looks at a tie or a shirt and the sale is closed—selects at a glance—too busy to make a care-

ful examination; the article looks good—his money is spent. His confidence in this store is complete; he knows from experience that he is safe in buying here—whatever it may be. He knows he has received quality—we know it, too, for we've builded a business on that very point—QUALITY. And we're always a little bit

ahead of many in gathering the best style. Individuality is a prominent mark that men seek—we have it. Correct in every way—that's what makes THIS STORE PRE-EMINENT IN MATTERS OF CORRECT DRESS FOR MEN. This store is headquarters for standard lines mentioned below.
