St. Paul City Title Still in Doubt, Due J to Time Limit Game

St. Paul, Minn., Sept. 7.—(Special Telegram.)—One more game will be necessary to decide the championship of the St. Paul Municipal Amateur Base Ball Association, as the result of the Gordon and Ferguson 5 to 2 seven inning victory over the Cardozos today at Lexington park which evened the series. The Car-dozos winning the first game a week ago today, 6 to 3.

The rubber game will be played during the week, as next Sunday the Gordons and Fergusons will be at with the Cardozos.

The start of today's game tended to indicate that the Cardozos were going to repeat. Errors, mixed with AB. R. H. PO. A. E. going to repeat. Ellows, many for the 2 0 1 2 2 0 a few hits, produced a run for the city league champions in each of the second and third innings. THE SUCKERS' UNION.

THERE has been a lot of burlap chewing over the fact that the Suckers have threatened to extract their patronage from Wall street and take it up to Mattewan where it belongs. A sucker is a bird who gets taken for a long walk and thinks he is riding.

Any beezark who has invested in Maine Oil, Edible Asphalt or Sub-Seats, Preferred, is eligible for membership. The membership qualifications are as simple as the members. The applicant takes a fivecase note down to Wall street. If he still has the finif when he escapes, he can't join because he ain't a sucker.

A sucker is a sapp who watches the ticker tape like a cat lamping a mouse, but with the opposite effect. You never heard of a mouse wreck- kie in the first two innings and their ing a cat. There were suckers long before Chink collar polishers had free hitting, combined with his unslanting eyes. Lots of water has flowed under the bridge since the first steady pitching, gave the locals a sucker was taken, but more suckers have marched over it.

The ticker is a hornet's nest with mechanical wasps equipped with Morse stingers. The sapps stake their biscuit money on a margin thinner than twice cooked tea and proceed to work up a poker sweat over a parcheesi bet. The chart of a ticker-player's heart looks like the map of an up-state road with cave-ins caused by bear movements, detours by calls for more margins and road closed owing to repairs to the bank-The poor fish hangs on by his gold-plated eye-teeth, hoping for a rise in the market, but the coroner's verdict shows that one more trick parachute failed to open.

The market game is tougher than a dinousaur sirloin. It's as onesided as a bowlegged hobo's heels. But the suckers keep falling for it and will keep tumbling for it as sure as corn will pop in Hades.

Once a guy gets the margin needles he is a hypo for life. The brokers are so excited over that rumor of the Suckers' Union that one broker put the lighted end of a bankrool in his mouth, and another rode downtown in his uptown limousine. If the suckers want to organize and run in schools, the brokers will be able to catch them with a net instead of

The Union is almost in working order. Only thing left is to get a good moto that doesn't mean anything, making it plenty appropriate for the suckers. Here's a few suggested: Early to bet, late to wise, makes the brokers healthy, wealthy and fat.

GLAD SHE TOOK FRIEND'S ADVICE

Galesburg Woman Gains 30 Pounds After Taking Tanlac.

"After failing for eight long years to find a medicine or treatment that would relieve my suffering, I tried Tanlac and the result is my troubles have been completely overcome and I have gained 30 pounds in weight," said Mrs. Alice Despain who lives at 113 Brooks street, Galesburg, the other day.

"I was so completely run-down when I commenced taking Tanlac," continued Mrs. Despain, hardly able to get around. My Ferber, and Ravitz were on the nerves were in terrible condition and I never got a good night's sleep. I also suffered from stomach played Wednesday evening, although trouble so bad that everything I ate would sour and cause me to be perfectly miserable for hours at a time. thought that I would never find anything that would overcome my troubles. Just when I was feeling my worst, a friend of mine came to see me and told me about Tanlac, and advised me to give it a trial. I finally decided to take her advice, and it was the best move I ever made in my life, for I commenced to improve in a short time after I began taking this wonderful medicine. I have just finished my sixth bottle and I can truthfully say that I never had any better health in my life. All that ner-vousness has left me and I sleep fine every night. There was a time when I actually dreaded to see mealtime come, but I can hardly wait for it now, for I have a splendid appetite and everything I eat agrees with me all right. Those awful headaches have left me, and I have gotten back all my strength and energy. I can easily do all my housework now. I never tire of telling people what Tanlac has done for me and I am glad to have this opportunity to recommend this

medicine to everybody."
