Nice Girls.

Dear Miss Fairfax, Omaha Bee: We are two girls, 18 and 20 years of age, and have been living in Omaha a short time and would like to become acquainted with some nice girls and boys.

We are good, respectable girls,

and we don't care to chum with any boy who isn't decent. Are ere any social clubs where young ople who are strangers can go

and get acquainted?
Will send you our address, and if any person wants to write to us you can send them our address.

Dear Miss Fairfax, Omaha Bee: I am coming to you with great trou-ble. I am a girl of 14, but I am very large for my age. A very good looking man came to town to work in the bakery shop. I went by a few times, he winked at me and before I knew it I was out riding with him. He asked me to marry hira but I told him I would have to consider it. He is going on 40 and I am only 14. Do you think should marry him or not, or wait
