not like any double-breasted ever designed before. Same way with the single-breasted types. New pocket ideas, new lapels; new soft fronts; new ways of treating the belt feature.

Men's Stylish Suits— Custom-Like

WE'VE always known why some business men didn't buy ready-made clothes. The clothes weren't made right, according to their ideas. It occurred to us that the way to meet that was to have the clothes made right; no padding, no heavy canvas; draped to fit the figure; hand-shaped. That's what we've done. Suits of highest degree at

And at \$35, \$40, \$45, \$55, \$60, \$75, \$95.

Smart New Fall Overcoats

THE style developments in suits, which are very marked, show in the overcoats. We'll show you some very stunning models. Motor Coats, Street Coats, Travel Coats, Dress Overcoats; rain-proofed. The First Introduction of the Famous Hart Schaffner & Marx Suits for Boys

The first time in their History that Hart Schaffner & Marx deviated from the exclusive making of Men's Clothing

HART SCHAFFNER & MARX have lead away from a tradition long in existence. The utmost in clothes for men is found in Hart Schaffner & Marx make—quality and integrity, as well as talent, skill and the acumen of business—now, through the breaking of their tradition, brings to the boys of Omaha the kind of clothes their fathers and those of mature years have gotten so much satisfaction out of.

In building a boys' business and appealing to their good sense of clothes value, the same fine quality of tailoring, skill and the very same care of detail and finish are in these Hart Schaffner & Marx Clothes for Boys, which have always been identified with the label in Hart Schaffner & Marx Clothes for Men.

WE know boys are like their fathers, anyway they are proud imitators, and we know, too, that they will accept nothing but the best. So we've designed clothes for them to meet their requirements. Here's the way they are made. With the popular waistline; belt all around style, one and two-button, single and double-breasted models. Clothes of "class," styled right, all of them. They're all-wool. We'd like to show the boys what we've brought to Omaha for them, and Saturday will be a good day to do it. Every boy who has that peculiar liking of being smartly dressed will certainly "take" to this new line of ours. Remember, they are made by Hart Schaffner & Marx.
