> GUARANTY TRUST COMPANY OF NEW YORK, Transfer Agent METROPOLITAN TRUST COMPANY, NEW YORK, Registrar

We summarize from the President's letter, Mr. V. Vivaudou, as follows:

Sales are now at the rate of \$5,000,000 per annum.

Manufacturers: In the manufacture of talcum powder, face powder, perfumes and other toilet articles this company is one of the largest concerns in the world. Some of the company's trade names are "Mavis," "Lady Mary," "La Boheme," "Fleur de France."

Earnings: Net earnings from operations are at the rate of \$1.200,-000 per annum, with the present four plants running to capacity supplying only 60% of the demand, and orders are constantly increasing in volume.

Purpose of Issue: The new financing will provide approximately \$1,500,000 additional cash working capital which will enable the company greatly to expand its manufacturing facilities and further develop its growing export business.

Application will be made to list this issue on the New York Stock Exchange.

All of the above issue having been sold this advertisement appears as a matter of record only.

New York, Sept. 15 .- The market for offee futures showed considerable strength coffee futures showed considerable strength at the opening owing to further rallies in Brazil and continued covering. There was also some buying here believed to be for European and Wali straet or western ac-count, but after selling about 30 to 50 points higher with December touching 15.75c, the market turned easier under real-izing and a renewal of scattering pressure. The latter was encouraged by a special cable from Santos representing a decline in futures and December here sold off to 15.35c or 3 points net lower.
