BUSINESS CHANCES. MR. BUSINESS MAN. Are you able to judge an extra good proposition when you see it? If you are and have \$10,009 or over, a well established manufacturing company on show you where its "trade mark" slone will be worth \$1,000,000 with three years of hustle and push besides the annual income. The high cost of living has created a demand for our goods. Every man, woman, child and baby is a user. The human race is the only limit to the field to be worked. We have the manufacturing facilities the only limit to the field to be worked. We have the manufacturing facilities and material on hand for \$400,000 retail business. This proposition will stand the most rigid investigation. Can be handled by a silent or active partner. This is our harvest time and raquires action, so do not answer this unless you have the money and mean business. Address box M-99. Bea.

unless you have the money and mean business. Address box M-99. Bees.

A SHOE mnufacturer doing a large business with retailers from Chicago to the Pacific coast wishes to retire from business. The plant is located at a good distributing point, where manufacturing conditions are excellent. The company and its product have a high reputation and the business is running at full capacity and paying a good profit. This is an excellent opportunity for an established business to add largely to its trade or for a new organization to start with assured success.

Inquiries from those without commercial rating must be accompanied with information of financial resources. Address Box S 120, Omaha Bee.
