## NONPARTISAN CANDIDATES IN LEAD IN PRIMARY

### Five of the Six Men Endorsed for Constitutional Convention Named Tuesday.

Lincoln, Sept. 17.—(Special.)—Five of the six men endorsed by the Nonpartisan league as candidates for the constitutional convention were nominated at the primary election Tuesday, out of a field of 25. The fact that the opposition split its strength among 19 candidates and the lightest vote ever cast in an election in this county gave the Townley slate a big advantage.

State Senator C. Petrus Peterson, one of the 19 independent candidates, was high man on the ticket, while C. C. Flansburg, endorsed by the league, was second.

In the county precincts outside of Lincoln, league strongholds cast a solid block of votes for the slate of six. The league candidate who failed to land was B. F. Parmenter of Bethany, a member of the organization.

These were the nominees:  
C. Petrus Peterson.  
C. C. Flansburg.  
John M. Stewart.  
Walter L. Anderson.  
Frank M. Coffey.  
George W. Berge.  
N. Z. Snell.  
A. E. Sheldon.  
W. A. Selleck.  
C. W. Pugsley.  
Walter F. Dale.  
Charles J. Warner.

### Constitutional Primary.

Aurora, Neb., Sept. 17.—(Special Telegram.)—The winners in the primary for delegates to the constitutional convention were A. M. Hare and W. I. Farley.

## Last Reprieve Given Cole and Grammer by Governor McKelvie

Lincoln, Sept. 17.—Reprieves staying the execution of Allen V. Grammer and Alton B. Cole at the penitentiary from September 19 to January 9, 1920, were signed Wednesday morning by Governor McKelvie. This is understood to be their last lease on life before their electrocution for the murder of Mrs. Lulu Vogt near Elba, Neb., on July 5, 1917.

Warden Fenton has taken immediate steps toward procuring necessary equipment for legal executions, which is still lacking at the penitentiary, Governor McKelvie said.

The governor's action constitutes the fifth reprieve for Cole and the first executive clemency for Grammer. The other postponements for him were automatic stays of execution through his supreme court appeal.

The Nebraska supreme court will now have time to rule on the habeas corpus appeal filed by Cole.

## Labor Commissioner Holds Township Liable for Injury

Lincoln, Sept. 17.—In awarding \$12 a week for four weeks and a \$13.50 medical bill to Carl Sheeper for injuries when a road grader overturned in "A" township, Seward county, June 27, 1918, State Compensation Commissioner Kennedy has ruled that a township is liable under the workmen's compensation law. The award is against the township.

Harry Workman of Beatrice, in another award, is to get \$12 a week for 15 weeks and a \$10 medical bill for partial loss of a finger while he was helping unload a crate of plate glass for the Woolworth 5 and 10-cent store there. The award is against the Woolworth company. Workman was employed by a contractor to do carpenter work on the store. When a drayman drove up with the glass, according to the evidence, the Woolworth superintendent asked him to help unload it. The company may appeal the decision.

## State Rail Body Will Not Meet With Omaha Council

The State Railway commission has declined an invitation to meet with the Omaha city commissioners on matters relating to street car service. Commissioner Butler extended the invitation by letter.

T. A. Brown, secretary of the railway commission, sent "regrets" adding that "no good results" would be accomplished through such a joint meeting.

The state commission assumes full jurisdiction over the Omaha street railway system, according to law, the city council being without authority to regulate the company.

Commissioner Butler thought that by the state commissioners coming to Omaha and getting their feet under the same table with the city commissioners, a better understanding could be had of the Omaha situation. Mr. Butler believes that the skip-stop system should now be abandoned.

## Guide Rock Votes Bonds to Secure Electric Lights

Guide Rock, Neb., Sept. 17.—(Special Telegram.)—At a special election the proposition to issue bonds for electric lights carried by a vote of 149 to 9. The nine votes against the proposition were cast by men, as not one of the 49 women voting was opposed to the issue of the bonds. The village board is considering two or three deals for the furnishing of current.

## Rain at Geneva.

Geneva, Neb., Sept. 17.—(Special.)—Half an inch of rain fell here Monday and benefited pastures and alfalfa fields. This is the first time the ground has been wet in three months.

## Appeals to Nebraskans

(From a Staff Correspondent.)  
Lincoln, Sept. 17.—Appeals for financial assistance from Corpus Christi, Tex., where a hurricane and tidal wave have caused an estimated death toll of 200 and a great property loss, were received Wednesday by Governor McKelvie and George Dayton, acting mayor of Lincoln. The message came direct from Mayor Gordon Boone of the stricken southern city and Clark Peas, chairman of the financial committee. No action will be taken by the Lincoln commissioners or Governor McKelvie on behalf of the state, until a reply is received from a telegram to Gov. W. P. Hobby at Austin, Tex., asking if outside assistance was necessary.

## Say Conversation in Foreign Tongue On Phone Interrupted

Lincoln, Sept. 17.—(Special.)—Although they pay an additional fee of 25 cents a month each for the right to use any foreign language over the line, five patrons of the Northern Telephone company, of Creighton, Neb., infer that their conversation in a foreign tongue over the telephone had been met with interruption for six months in a letter to the Nebraska Railway commission. The men claim Ray Oak, another subscriber, is the offending one.

Demand is made that his phone be taken out or they will have their own phones all removed. Protests to George Salsbury, the local manager, have been in vain, the letter says.

The letter was signed by Ludwig Kumm, Fred Ophis, Jacob Ophis, C. L. Norton and Louie Helkemeier.

## Lay Cornerstone of New Beatrice School Building

Beatrice, Neb., Sept. 17.—(Special.)—The cornerstone of the new Belvidere school building in South Beatrice was laid with proper ceremonies. Addresses were given by Rev. J. Franklin Haas and Rev. Edgar Lucas with songs by the pupils and a history of the school by the secretary of the Board of Education. The new building, which will cost about \$42,000, takes the place of one which has been in use for more than 30 years.

## Milligan Man Fined on Charge of Selling Whisky

Geneva, Neb., Sept. 17.—(Special.)—Hynek Jaros of Milligan pleaded guilty to the charge of selling whisky and Judge Fulton in county court fined him \$100 and costs.

## Heavy Rain at Beatrice Aids Farmers in Plowing

Beatrice, Neb., Sept. 17.—(Special Telegram.)—The first heavy rain in months fell in this section of the state Wednesday morning and continued at intervals throughout the day. More than an inch of moisture has fallen, putting the ground in fine condition for plowing and seeding. Because of the dry condition of the ground farm work has been retarded for weeks.

## Nebraska Shriners Will Be Entertained at Grand Island

Grand Island, Neb., Sept. 17.—(Special.)—Preparations for the entertainment of 2,000 Nebraska shriners and 250 candidates, who will assemble here for a joint ceremonial session of the three temples of the Mystic Shrine of Nebraska, Tangier of Omaha, Sesostria of Lincoln and Tehama of Hastings, on Monday, September 22, are completed. The Liederkranz auditorium, seating 1,100, has been secured and a part of the adjacent paved street has been set aside for a mammoth tent in connection with the assembly will be the visitation of the imperial potentate, W. Freeland Kendrick of Philadelphia. The ladies of the Presbyterian church will serve the banquet.

## GERMANY WILL CANCEL UNION WITH AUSTRIA

### Teutons to Swallow Bitter Pill Prescribed in Allied Terms.

(Staff Correspondent Universal Service.)  
Special Cable Dispatch.  
Berlin, Sept. 17.—Germany will comply with the demand of the allied supreme council to declare null and void the objectionable paragraph in the German constitution looking to Austria's union with Germany and providing for Austrian representation in the German Reichsrath, or Council of the Realm, which may be compared to our senate. Though it is maintained that the

allied demand does violence to the self-determination of peoples, which is one of the fundamental principles in President Wilson's 14 points, and the foreign relations committee is deliberating today with the government as to the action to be taken in reply to the allied note, it can be said that the German government considers itself helpless to oppose the allied demand. Several members of the cabinet are for letting the allies carry out the threat to occupy Frankfurt-on-the-Main in the event of Germany's refusal, but the majority appears to be for sending delegates to Paris empowered in the name of the government to make a protocol complying with the supreme council's demands. "It's a bitter pill, but we are helpless and must swallow it," remarked one of the leading ministers of the cabinet. "The foreign relations committee undoubtedly will come to the same conclusion today."

## Assailants Leave Body of Murdered Woman in Road

Salt Lake, Sept. 17.—Mrs. John Green 23, was murdered late last night on the Lincoln highway, one mile east of Tooele and her body left on the road by her assailants. Autoists first found the woman's shoes in the center of the road and a few yards farther at a side of the highway came across the lacerated

and bruised body. Mrs. Green had gone to the outskirts of the town in a buggy while her husband had gone to one of the smelters in search of work. Mr. Green had given his wife some money before he left her and when she was found her purse was empty. Her horse and buggy had not been found. To get in or out of business try Bee Want Ads.
